SHIPPING ON GREAT LAKES STORMBOUND

Coastguard Cutter Feared
Lost With Two Men—
Steamer Beached

SEVEN MEN ESCAPE
WHEN TUG FOUNDERS

WINDSOR, Ont., Nov. 15.—The Great Lakes were still whipped to a frenzy from a storm which started November 2, and which has broken all records for length. The Coastguard cutter, 8308, which left Ontonagon, Mich., on Sunday for Bayfield, with a two-man crew, failed to arrive. Coastguards believe she sank off Keeweenaw Point, one of the most dangerous spots in Lake Superior.

The steamer, D. E. Callendar, with a crew of twenty-five, was beached off Long Point, Ont. A coastguard cutter was standing by and the crew was believed to be in no immediate danger.

FREIGHTER AGROUND
The freighter, J. P. Schoellkopf, ran aground near Menominee, Mich., but was pulled off last night.

The tug, Florence, owned by Dominion Tankers, of Toronto, went to the bottom off perilous Duck Islands in Lake Ontario. Her crew of seven men made shore in a lifeboat just before the tug went down. At both Sarnia and Sault Ste. Marie, Ont., vessels were holding hard to shelter, fearing to venture into the path of the storm.

PASSAGE DIFFICULT
The passenger liner, Huronic, a sturdy Northern Navigation Company vessel, however, was en route to the Soo. She reported late tonight, visibility was practically nil and a hard northwest wind was making the passage difficult.

Shipping was at a standstill in the lower St. Lawrence River with blinding snow keeping them back.

U.S. MUST HAVE FOREIGN POLICY

Secretary of Agriculture
Says Early and Definite
Decision Essential

MUNCIE, Ind., Nov. 14 (AP).—Secretary Henry Wallace, of the United States Agriculture department, told Indiana farmers and business men tonight America should reduce tariffs or cut production or adopt a compromise course, and be ready to stick to it for ten or fifteen years.

Members of the Eastern Indiana Livestock Breeders' Association gave the secretary a tremendous ovation as he completed his address, which had White House approval.

DELIBERATE DECISION
Secretary Wallace said the United States should make an early but deliberate decision as to its foreign policy, and follow it "in all its implications, even though certain people are hurt."

"Failure to adopt a sound course in our foreign relationships has cost the farmers of the United States many billions of dollars," he added. "Foreign loans are all right, provided at the time we make them we know we are certain to have a tariff policy which permits their repayment," he said at another point.

FOREIGN MARKETS
The secretary advised that under nationalism "we must be prepared to make permanent the retirement of our 30,000,000 surplus acres of crop land. If the bulk of the Japanese navy were announced tonight, signifying a victory for dominant navy men, Admirals Nomura and Koyashiki were appointed to the navy council, and Vice-Admiral Nagano was made commander of the Yokosuka naval base.

Changes in Naval Posts Significant

TOKIO, Nov. 14 (AP).—Far-reaching changes in the high commanding posts of the Japanese navy were announced tonight, signifying a victory for dominant navy men. Admirals Nomura and Koyashiki were appointed to the navy council, and Vice-Admiral Nagano was made commander of the Yokosuka naval base.

FIRE AT VANDERHOOF
VANDERHOOF, Nov. 14.—Fire, which broke out in R. J. Steen's drug store here about 12:30 a.m. today, completely destroyed the building and stock, causing loss estimated at \$10,000, partly covered by insurance.

Will Be Sworn In as Ministers Today

T. D. PATTULLO
Premier.

JOHN HART
Finance.

G. S. PEARSON
Mines and Labor.

A. WELLS GRAY
Lands.

F. M. MACPHERSON
Public Works.

K. C. MACDONALD
Agriculture.

Instructs Irish Free State To Keep Responsibilities Or Relinquish Privileges

**Pattullo Government Will Enter
on Duties This Afternoon**

THE Pattullo Government will assume the responsibility of office this afternoon with as many portfolios filled as were occupied by the Tolmie Administration in 1928. In addition to the premiership there will be seven paid ministers.

The cabinet will consist of Premier Pattullo and Hon. John Hart, Hon. F. M. MacPherson, Hon. G. S. Pearson, Hon. A. Wells Gray, Hon. George M. Weir, Hon. G. M. Sloan and Hon. K. C. MacDonald. In addition to the regular portfolios, a new one of Municipal Affairs will be created. This, and the portfolio of Lands will go to A. Wells Gray. G. S. Pearson will have the dual portfolios of Mines and Labor; G. M. Weir is slated for Education and Provincial Secretary. John Hart will care for Finance and Industries; F. M. MacPherson will have Public Works and Railways; K. C. MacDonald will be Minister of Agriculture. It is expected that Premier Pattullo will hold the Commissioner's office of Fisheries.

Dense Fog Cause Of Two Accidents To Coast Shipping

Ss. Princess Alice and Ss. Yukon Collide at Entrance to Vancouver Harbor—Neither Seriously Damaged—Japanese Freighter Runs Aground at Chemainus and Is Pulled Off

VANCOUVER, Nov. 14.—Dense fog along the lower British Columbia Coast was responsible for two minor accidents to shipping today. Ss. Princess Alice, of the Canadian Pacific Coastwise Service, and Ss. Yukon, of the Alaska Steamship Company, collided at 8:07 o'clock this morning just outside the entrance to Vancouver Harbor. The Japanese freighter, Koryu Maru, grounded this afternoon at Chemainus and was pulled off several hours later.

LONG TRIP ENDS WITH SENTENCE

Man Arrested Here for Scotland Yard Given Four Years in Prison

LONDON, Nov. 14 (CP).—Pleading guilty to obtaining a sum of more than \$35,000 by fraudulently representing himself to be an underwriter of Lloyd's and partner in a well-known London firm of insurance brokers, Charles Aubrey Steele, native of Vancouver, at the Old Bailey, today, was sentenced to four years' penal imprisonment.

The prosecutor said Steele came to Britain in 1923 from Canada, where he had already committed offenses.

The frauds under which the present charges were laid began in 1931, he asserted. Steele was arrested in Victoria and brought 7,000 miles for trial.

**Unequivocal Declaration Is
Made by Secretary for
Dominion Affairs**

**BILLS PASSED ARE
FRESH REPUDIATION**

LONDON, Nov. 14 (CP).—The Republican Government of the Irish Free State was informed, through a statement in the House of Commons today, that if it wishes to relinquish the responsibilities of membership in the British Commonwealth of Nations, it cannot expect to continue to enjoy the privileges of that membership.

The declaration was made by Rt. Hon. J. H. Thomas, Secretary for Dominion Affairs, who read a carefully-prepared statement. It described as "a fresh repudiation of the Anglo-Irish agreement" three Government bills passed by the Dail.

Hail of Lead Directed at Truck Drivers

BELLINGHAM, Nov. 14 (AP).—Striking truck drivers of the Whatcom County Dairyman's Association were placed under fire late tonight when a hail of lead from a shotgun poured through a window of the Labor Temple and showered from ten to twelve members of the Teamsters' Union with broken glass.

Three shots from what police later determined was a 20-gauge shotgun, crashed through the upper sections of the windows of the large downstairs meeting-room, while a number of the strikers were engaged in a card game and others were gathered in a small group engaged in conversation.

IS CHARGED WITH BURNING OF TOWN

**Verne F. Gray Held in Jail as
Result of Dismal Fire**

MOOSE JAW, Sask., Nov. 14 (CP).—Alleged to have started the \$90,000 Chaplin fire September 28, Verne F. Gray was arrested here today and charged with the offense.

He appeared in Royal Canadian Mounted Police Court on a charge of arson and adjournment was taken until November 24. Bail was fixed at \$5,000 on his own recognizance and two sureties of \$2,500 each. Late tonight, bondsmen had not been procured and Gray was held in the Royal Canadian Mounted Police cells.

The fire completely destroyed the business section of the town of Chaplin. Two blocks of the town were completely wiped out.

Given Damages For Loss of Eye Hit by Golf Ball

WINNIPEG, Nov. 14 (CP).—Miss Ethel Rustcliffe, Winnipeg telephone operator, today was awarded \$2,000 general and \$500 special damages by Mr. Justice J. T. Adamson, in Court of King's Bench, for the loss of an eye through being struck by a golf ball at Winnipeg Beach Course, July 19, 1931. The judgment was entered against Robert Whitehead, Jr., who played the ball.

IS ASPIRANT FOR COUNCIL

**Ex-Ald. Hawkins Announces
Candidature—John Wood
for School Board**

El-Alderman T. W. Hawkins, president of the British Columbia Agricultural Association, announced his candidature for a seat on the 1934 City Council, last night, thus becoming the first to throw his hat into the ring of the aldermanic contest.

John Wood, former candidate for the school board, announced his candidature for trustees yesterday. He also is the first to enter the civic election for this board.

Mr. Hawkins served on the City Council in 1931 and 1932, and during that term was chairman of the fire wardens and a member of the parks committee.

NEW POLICIES
In his former capacity, he instituted several policies of importance to the fire protection of this city, and when the new water main was laid, insisted that provision be made for a connection with the hydrant system, thus boosting the pressure and eliminating a costly pumping system.

As a member of the park committee, he fought hard for the improvement of the Royal Athletic Park and before he left the City Council saw those improvements, including transference of the grandstand, carried into effect.

ART TREASURES SELLING WELL

**London Regaining Prestige
as Best Market for Books
and Gems**

LONDON, Nov. 14 (CP).—Yet another indication of Britain's returning prosperity is the manner in which London is recovering her prestige as the best market for literary and art treasures.

The great auction rooms have started the autumn season in the busiest fashion with valuable books and art treasures being sold at high prices. A first folio of Shakespeare brought \$14,500, although in defective condition.

OTHER SALES PLANNED
Shortly Charles Fowler's collection of 1,500 Napoleonic letters, at present in New York, will be offered for sale in London and an Austrian archduke is sending a big assortment of books from the library of the Empress Marie Louise.

Almost daily an auction, which, if less elaborate, are equally interesting. A first edition of Omar Khayyam with original wrapper, printed in 1869, sold today for \$1,000.

A manuscript from "The Ives Green," from the Pickwick Papers, sold today for \$750.

SEVERE SHOCK FELT IN CENTRAL CHILE

SANTIAGO, Chile, Nov. 14 (AP).—A heavy tremor of almost major earthquake shook the city today at 10:07 a.m. Thousands rushed screaming into the streets, but only minor damage was reported.

All Central Chile was shaken by the tremors, which lasted one minute. It was felt not only in the capital but in the seaport of Valparaiso and in dozens of smaller cities and villages.

The earthquake was accompanied by a subterranean roar. The shock was the most severe felt here in three years. Few persons were reported injured.

KILLED WHEN CLOTHES TANGLED IN SPINDLE

CHARLOTTETOWN, Nov. 14 (AP).—Dragged into machinery of the Crapaud Electric Company after his clothing caught, Manager Harry Leard suffered fatal injuries today.

The manager was cutting the plant when his clothing became tangled in a spindle.

He is survived by his widow, three daughters and one son. Mrs. Fred Watten, Victoria, is a sister.

SIR DAVID MURRAY DEAD
LONDON, Nov. 14 (AP).—Sir David Murray, president of the Royal Academy of Painters since 1917, died today. He was eighty-four years of age.

BRITAIN FORCED TO INCREASE SIZE OF HER NEW CRUISERS

**Will Be Nominated
for Speaker**

HARRY G. PERRY
Member-elect for Fort George, who will be nominated when the Legislature meets for the first time.

U.S. Makes Beautiful Speeches

LONDON, Nov. 14 (CP and AP).—Sir Winston Churchill, former Conservative Chancellor of the Exchequer, tonight told the Devonshire Club: "The United States made the most beautiful speeches of all, and made the largest increases in naval and air forces."

Mr. Churchill's remarks came soon after the Government had announced its intention of substituting two 9,000-ton cruisers and one of 5,400, in place of four smaller vessels planned in its 1933 replacement programme.

He declared every country, except Great Britain, had increased its armaments, and expressed the hope that the United Kingdom "would cut loose from the Geneva Conference."

No Peace Prize Will Be Awarded

OSLO, Norway, Nov. 14 (AP).—The Nobel committee of the Storting (Parliament) decided today not to award the Nobel Peace Prize this year.

ITALIAN CHAMBER MAY NOT SURVIVE

**Premier Mussolini Forecasts
Eventual Abolishment—Programme
for Co-operative States**

ROME, Nov. 14 (AP).—In what was called the funeral oration of capitalism and liberal institutions, Premier Mussolini today forecast the eventual abolishment of the Italian Chamber of Deputies.

Speaking before the powerful National Council of Corporations, he said the chamber would be elected as usual next spring for another term of five years.

Afterwards, he went on, that legislative body must decide its own fate. It is perfectly conceivable that the National Council of Corporations should completely supplant the chamber, he said amid enthusiastic applause.

Start Surveys for Assembly Wharf at Site Near Nanaimo

**Dominion Government Ship Arrives at Departure
Bay—Other Locations Will Be Examined—
Board Working Two Years on Project**

NANAIMO, Nov. 14.—The possibilities that Nanaimo may have in the near future an assembly wharf built by the Dominion Government capable of storing seven and one-half million feet of lumber, and costing approximately \$200,000, were greatly enhanced on Sunday with the arrival here of the Government survey boat, Waldonda. On Monday her crew started the survey of a possible site for the new wharf at Departure Bay, adjacent to Nanaimo Harbor.

For two years the local Board of Trade has been working on the project, and with the assistance of G. H. Dickie, Federal member for Nanaimo, has impressed the Government with the necessity of an assembly wharf to the extent of ordering surveys made, and the best site available made known.

OTHER SITES ALSO
Mr. W. A. Gourlay, senior assistant engineer for the Dominion Public Works Department, is in charge

**Programmes of Other Powers Would Make Originally Projected Ships Definitely Inferior—
Indicates No Change in British Policy of Reducing Maximum Size of Future Vessels**

Lead Given Other Nations By Britain Not Followed

LONDON, Nov. 14 (CP).—Faced with the fact that other naval powers, in their building-up or replacement programmes, are going in for cruisers of the most powerful type, the British Government let it be known today that it had reluctantly decided to substitute two 9,000-ton cruisers and one 5,400-ton ship for the four smaller cruisers of the 1933 replacement programme.

IS HELD IN PARIS JAIL

**Young Canadian Accused of
Striking Mother With Auto
Crank Handle**

PARIS, Nov. 14 (CP).—Pulford Patrick Hardy, twenty-two-year-old son of Senator A. C. Hardy, of Brockville, Ont., was held by police tonight in connection with an incident in which his mother suffered injuries to the head.

Police quoted Mrs. Hardy as saying in hospital her son struck her suddenly and without provocation, with an automobile crank handle.

Young Hardy walked into a police station suffering scalp wounds, clothes disheveled, and told the authorities he had been attacked and apparently kidnapped while with his mother. He denied striking her and said he had no memory of what occurred after he had been struck on the head while at a Paris garage.

HELD FOR HEARING
He was held for hearing in magistrate's court.

Young Hardy figured in a sensational elopement last January with a sixteen-year-old Toronto girl.

Mrs. Hardy was resting comfortably in Beaujon Hospital and it was said her injuries were less serious than at first thought.

The statement police quoted Mrs. Hardy as making was as follows:

"We had returned from a motor drive Monday night when my son Patrick suddenly struck me from behind. The attack was unprovoked. My son had appeared quite calm."

DENIES STATEMENT
The young, athletically built Canadian, well known in society circles, was brought to central police station here tonight, and denied he had attacked his mother.

"It is ridiculous," he said. "Mother and I were on the best of terms. What happened to her last night I don't know."

Quebec Liberals Win Wolfe Test

GARTHEY, Quebec, Nov. 14 (CP).—Thomas Lapointe, Liberal, tonight was elected member of the Quebec Legislative Assembly for the constituency of Wolfe. He defeated Arthur B. Skinner, Conservative. His majority was 627.

The by-election was made necessary by the appointment of Dr. J. P. C. Lemieux, the Liberal sitting member, as sheriff of the District of St. Francis.

BOY BICYCLISTS INJURED ON ROAD

**Three Riding in Dense Fog Near
Nanaimo Presumably Over-
run by Motorists**

NANAIMO, Nov. 14.—Morris Brown, thirty-five, and Jackie Hardcastle, thirteen, were seriously injured at 5:30 this afternoon, when they were struck by a car driven by Miss Evelyn Bevan, 24, of Chase River Road. Brown and Hardcastle were accompanied by Jimmy Hamilton, all riding bicycles, but Hamilton escaped with minor injuries. Jenkins ambulance conveyed the injured to hospital, where it was found Brown had suffered a fractured pelvis and Hardcastle had his arm broken and was evidently suffering internal injuries.

The three were proceeding towards the city on bicycles when overtaken by Miss Bevan, who, it is surmised, owing to the dense fog did not see them in time to avoid over-running them.

Continued on Page 2, Column 3

Taking Profit Out Of Wars Real Cure For World Problem

Dr. Alfred Zimmermann Blames Political Power for Depression—Would Shift League of Nations to Washington to Start Peace Machinery

ONLY by destroying the ambition of individual states for political power by some system of protection, insurance, or guarantee which will make it unprofitable for nations to go to war, can the civilized world hope for a safe and sure way out of the depression, Dr. Alfred Zimmermann, professor of international relations at Oxford University, told a gathering of more than 500 persons assembled in the ballroom of the Empress Hotel here last night.

Professor Zimmermann, recognized as one of the ablest lecturers on international affairs in the United Kingdom, was speaking under the auspices of the Victoria committee of the National Council of Education, with Colonel H. T. Goodland as chairman.

POWER POLITICAL
Professor Zimmermann presented a new aspect of the economic disaster, the power political he termed it, and, strangely enough, he gave what he considered the cure before he had given his audience the causes. His lecture could be summed up in a few words—kill the war spirit which is rapidly returning to the nations of the world. "Cut at the root of power politics—call it imperialism if you will—by mobilizing the strength of all against the individual state that would disrupt the international community," he stated.

In order to accomplish it, he would have the League of Nations moved from Geneva and place it at the pivotal point of the peace machine, Washington. "The League of Nations will always fail at Geneva because the United States does not play the important part that it should. Take the United States contribution to the Kellogg Pact, and make it the peace machinery. Washington is the only place from which peace can be permanently established for all the world," Dr. Zimmermann declared.

During his lecture, in dealing with the causes of the depression, Professor Zimmermann grouped the secondary causes, such as capitalism versus socialism, failure of markets, lack of recovery from the Great War, unemployment, idle money, disorganized exchanges and national bankruptcies. He also mentioned the increase of trade barriers never thought of before the war, the burden of war debts and reparations and the construction of armaments, none of which, he declared, could singly or together be the true cause of the trouble.

PRIMARY CAUSES
The primary cause, he declared, was the political interference by governments in business. "Not all kinds of government interference are bad, he said, for instance, interference in social welfare, which should take precedence over pure economics. "It is the interference

WILL EXAMINE MYSTERY ROCK

Scientists to Pronounce an Opinion on Real Nature of Farmer's Discovery

WINNIPEG, Nov. 14 (CP).—Centre of a storm of scientific opinion, an age-old, weather-beaten rock, standing high on the shore-line of Lake Winnipeg, today held the attention of archaeologists of a continent.

On its face were concentric circles filled with strange characters, that roughly resembled primitive hieroglyphics; and it is on these markings that opinion has divided. A certain group hold to the belief the markings definitely prove Viking exploration of Canada as early as 1362. Others contend Nature has played science a scurvy trick.

FOUND ON FARM
The stone, a huge boulder measuring five feet in length, three feet in width, and standing three feet high, was found on the farm of Steve Sygmatovich, in the Huxwauk district, forty-five miles northeast of Winnipeg.

He communicated his discovery to Arthur H. Allard, a student of archaeology, who immediately communicated with authorities on Indian and Runic writing. As soon as weather conditions permit, these authorities will visit the rock, and until then a scientific world must wait. The stone, the written language of the Vikings, believe they record Norse exploration across Canada to Hudson Bay, nearly 100 years before Columbus discovered America.

WAITING TO SEE
As yet, no one has officially deciphered the markings on the stone, Dr. R. Johnson, considered one of America's leading authorities on Runic writing, told the Canadian Press today. He had been shown a pencil copy of the markings on the boulder, he said, but would not express an opinion until he actually saw the stone.

Anxious to have his notes deciphered, Allard interviewed Manitoba Museum officials, and recognized authorities on Indian and Icelandic writings. He was told the boulder at Sandy Hook carries with it a story which will affect the recorded history of the province.

START SURVEYS FOR ASSEMBLY WHARF AT SITE NEAR NANAIMO

Continued from Page 1
rail connections, etc. However, as far as Departure Bay was concerned, it would be impossible to find a better harbor to prepare for the next war. It must be clear to you now that the last war was not one of armaments, but one of economic resources and the nations preparing with that knowledge before them. The Russian five-year plan is nothing more than preparation for the next war. If the Russian government had been developing the textile industries, but it had developed its heaviest industry, that of iron and steel. What does that mean to you? The continuation of the war spirit is the real crisis we are facing today and we must devise some system that will destroy that power political by effecting preventing the aggressor from making a profit out of war. We must see to it that our governments renounce war as a national policy. We are living in an international community and we should have a say in any disturbance created by a member of that international policy. Hands can play their part in this," he concluded.

DENSE FOG CAUSE OF TWO ACCIDENTS TO COAST SHIPPING
Continued from Page 1
Officers on the Yukon declared the collision was the final of a strenuous voyage. They experienced miserable weather, mist, rain, fog and storm throughout the trip down the Coast. The Yukon continued her voyage to Seattle this afternoon. Princess Alice was replaced by S.S. Princess Adelaide on her regular Equinox, where she will be dry-docked for survey and repairs. She arrived there at 5 o'clock tonight.

STRUCK NEAR SHORE
The Koryu, en route to Vancouver from Victoria, via Chemulung, struck on the southeast corner of Bird Rock, about 150 yards from shore. She was pulled off at 5:15 p.m. by the tug C. N. Nol and Glenboro. It had been expected it would be necessary to remove part of her cargo. She was not believed to be damaged as she was taking no water.

PORTLAND, Ore., Nov. 14 (CP).—On the opening of "Good Book Week" in Portland, Mrs. H. Stiles reported to police a thief who broke into her apartment house a \$42 dictionary.

IS ASPIRANT FOR COUNCIL
Continued from Page 1
He was chosen as the City Council's representative on the executive of the British Columbia Agricultural Association, and due to his leadership in exhibition affairs was elected president, being the first council representative to have this honor conferred upon him. During his term as president of this association, the exhibition has shown a substantial profit, and the entries and attendance figures have increased substantially.

FIVE VACANCIES
There are five vacancies to be filled on the council. The retiring aldermen are: John A. Worthington, Alex. Peden, P. R. Brown, W. H. Kinman and W. D. Todd. Of the five, it is expected Alderman Kinman will not seek re-election, being a candidate for the British Columbia Legislature. While Alderman Worthington, chairman of the parks committee, will give no definite statement, it is expected the forthcoming civic election will see him in the field again. Alderman P. R. Brown, chairman of the finance committee, has been urged to run, and his candidature is practically a foregone conclusion. The candidatures of Alderman Peden and Alderman Todd are problematical.

John Wood was a candidate for the school board last year. As local representative for a correspondence school, Mr. Wood feels that he has

Candidates in Election

T. W. HAWKINS
JOHN WOOD

Ex-Alderman Hawkins, who is president of the British Columbia Agricultural Association, and a prominent member of the Gish Temple Shrine, will run for alderman at the polls on December 1. John Wood, former candidate for the school board, will again seek trustee honors in the forthcoming civic election.

PROBLEM TOO BIG FOR OLD PARTIES
C.C.F. Candidates Declare Only Complete Change of Economic System Can Save World

Neither the Liberal party nor any of the other old line parties can possibly relieve the present situation which exists in British Columbia, according to the four C.C.F. candidates who spoke at the North Ward School last night.

"Nothing can save us today except an entirely new system," said F. Guy Sheppard. "If you allow the old economic system to continue as it is, you will find yourselves in the midst of the most horrible war that history has ever recorded. You will be the sufferers and you will be the ones to blame, because you can change it if you want to, and prevent such a catastrophe. But you must do it now; nothing can save you after it has started."

Rev. Robert Connell criticized the old party machines on the grounds that their actions were not determined by the wishes of the people but by the banking, brewing and railroad interests which, he charged, always controlled any of the old style parties. He pointed out that the C.C.F. was not controlled in any way by individuals or groups, because campaign funds were contributed by the people themselves by popular subscription.

CLERK ROBBED IN SURPRISE ATTACK
Armed Bandits Leap on Running Board—Leave Victim Bound in Swamp

CORNWALL, Ont., Nov. 14 (CP).—Victim of a surprise attack by armed hold-up men as he drove through a lonely swamp near Chesham, twenty-nine, chief clerk of a bank, was robbed of \$1,500 of bank funds.

Bourke, late this afternoon, said he was en route to take the Wedgwood product and a short-leaved car to take a curve and two men leaped to the running board and held him. He was told to get out of the car and he did so. Having taken the cash, the robbers bound Bourke's wrists, blindfolded him, tossed him into the back seat of the car and drove it into a swamp. They cut off the ignition and took the key before leaving. Bourke freed himself after a struggle, walked to a farm house and telephoned the bank.

BRITAIN FORCED TO INCREASE SIZE OF CRUISERS BUILDING

Continued from Page 1
be one of seeking agreement on restricting cruisers of larger sizes as much as possible, said the First Lord. It would also be British policy to reduce the maximum size of cruisers to be built in the future, if agreement on this was possible. It was known Britain does not want cruisers of less than maximum—10,000-ton ships with 8-inch guns—preferring smaller and more numerous vessels to guard her far-spreading trade routes.

HOPES NOT REALIZED
Britain had adopted the policy of building smaller vessels in the hope that other nations would follow her lead; she had also proposed the maximum for future cruisers should be 7,000 tons with 6.1-inch guns, the First Lord insisted; unfortunately neither of these hopes had been realized. Japan, for instance, had already six 8,500-ton vessels under way and United States would build four 10,000-ton ships.

In British naval experts' views all these ships, on paper at any rate, outclass contemporary vessels in the Royal Navy.

NO VOTES FOR WOMEN
PARIS, Nov. 14 (AP).—The French Senate, a perpetual opponent of women's suffrage, smoothed an effort to revive the issue today, and refused by a vote of 175 to 118 to consider a moribund suffrage bill.

LIKE MAGIC FOR Chest Colds, Coughs
Says Toronto Mother of "Mecca" and Mustard

Mrs. Gidding writes: "Nothing equals Mecca in power for chest colds and bronchitis, mixed with a little mustard, it's like magic applied to the chest and back."

Surely this is heart-felt appreciation of Mecca. If your family is suffering from Colds on Chest, Bronchitis, Tracheitis, Whooping Cough, Measles and Mumps, Mecca and Mustard, the mustard opens the pores and enables the powerful healing, disinfecting properties of Mecca to penetrate—removing congestion, relieving the painful inflammation.

STEADILY IMPROVING
MONTREAL, Nov. 14 (CP).—"Slow but steady improvement," read the bulletin issued tonight on the condition of Sir Arthur Currie, principal of McGill University, seriously ill in hospital here. Hospital authorities reported the distinguished soldier had passed a quiet, restful day.

WENT AGROUND IN SNOWSTORM

Freighter and Automobile Carrier Hit Reefs in Lake Erie

LONG POINT, Ont., Nov. 14 (CP).—Two tugs reached the grounded freighter, D. E. Callendar, late today. It was believed she would be pulled from a reef off Long Point before dark. The crew of twenty-five went aboard the Callendar, the first of the unidentified tugs arrived.

BUFFALO, Nov. 14 (CP).—Coast-guard boats from Erie, Pa., today were dispatched to the rescue of two vessels reported aground in Lake Erie. One boat is the D. E. Callendar, and the other an automobile carrier en route to Buffalo. The latter was aground ten miles west of Long Point, on the Canadian side of the lake. The other was stranded about six miles west of Erie.

A snowstorm, nearing blizzard proportions, swept over the lake. It was believed the boats went aground because the pilots attempted to group their way to safe anchorage.

Instructs Irish Free State To Keep Responsibilities Or Relinquish Privileges

Continued from Page 1
Eireann and now before the Free State Senate.

THE THREE BILLS
Coming on top of the abolition of the oath of allegiance, these three bills provide for abolition of appeals to the Privy Council, transfer authority over monetary appropriations from the Governor-General to the Executive Council, and delete from the constitution the provision relating to royal assent to bills.

"We have already made perfectly clear that the attitude we take of actions of this kind is that, quite apart from a question of legality," said Mr. Thomas, "no modification of the treaty can possibly be made except by agreement between the two countries."

QUITE UNACCEPTABLE
He said President Eamon de Valera had said his ultimate aim was recognition of a united Ireland as a republic, with sort of association with the British Commonwealth in some circumstances, and for some purposes, and with the King as the head. Such a proposal, he said emphatically, "would be totally unacceptable to His Majesty's Government."

"It is our desire that the Irish Free State should take her full part as a member of the British Commonwealth, not grudgingly, but of her own free will, accepting the responsibilities and enjoying the privileges. If she renounces the one, she cannot expect to enjoy the other."

AN INTERNAL DISPUTE
The responsibilities included respect for the Crown and co-operation with the other members of the Commonwealth, the minister added. He also pointed out that the dispute with the Free State Britain and the Free State alone; the British Government had no intention of grasping the dominions into this "internal dispute."

DE VALERA'S REPLY
DUBLIN, Irish Free State, Nov. 14 (CP).—If Dominion Secretary J. H. Thomas has no threat other than less advantageous membership in the British Commonwealth, the Irish Free State should be able to get from his assurance that declaration of a republic would not be made an excuse for aggressive hostility, President Eamon de Valera said tonight.

The President's statement was in reply to Mr. Thomas' outline in the House of Commons, of the United Kingdom's position on present differences between the two countries.

Mr. De Valera said his answer to Mr. Thomas was that the Irish people made an unmistakable choice in 1918, and that those who submitted later to the 1921 Anglo-Irish Treaty, did not abandon a republic but a "fundamental right," its action would be regarded as hostile, and would be made the cause of aggression against it.

KNOWLEDGE TO CHOOSE
Mr. Thomas, he remarked, said the Free State was free to order its own affairs, but he, himself, said nothing was so fundamental to the Free State as its freedom to choose its own Government institutions. The British Government, he declared, never ceased to issue threats that if the Free State exercised that "fundamental right," its action would be regarded as hostile, and would be made the cause of aggression against it.

APPEAL TO THE PRIVY COUNCIL
Mr. De Valera held passage of the bills was in no way inconsistent with the legal or moral obligations of the Free State.

C.G.I.T. Rally Set for Friday
Plans are well under way for the C.G.I.T. rally, to be held at the Victoria Theatre, on Friday, commencing at 7:30 p.m. It is expected that over 300 girls, competing the Anglican, United, Baptist and Presbyterian Churches, will meet together with Miss Anne Fountain, B.A., provincial girls' work secretary of the province of British Columbia.

Miss Fountain will address the girls, her theme being "Adventuring on the High Seas." Greetings will be brought to this rally by Rev. G. A. Reynolds, president of the Religious Education Council of Greater Victoria, and Miss Gladys Beall, chairman of the Girls' Leaders' Council of Victoria. Rev. Dr. A. E. Smirle will extend a welcome on behalf of the church. Preceding the meeting, Miss Winifred Sowercott will give a fifteen minute organ recital. This rally is being sponsored by the Victoria Girls' Council.

Critically Hurt By Flying Limb

NANAIMO, Nov. 14.—Edward Spinner, of Wellington, is in the local hospital in a critical condition as the result of being struck by a flying branch of a cedar tree. Spinner was working in the woods near his home when a high wind dislodged the branch from a tall cedar. Spinner being struck in the chest.

Sheep Killed by Unknown Raider
CHEMUNO, B.C., Nov. 14 (CP).—Thirty sheep from two flocks owned in this district have been wiped out by an unknown killer or killers during the past two weeks. Farmers are at a loss as to what animals are to blame. Evidence indicates four of the carcasses were eaten, and a bear is blamed for the eating, but not the killing.

Shortness of Breath Weak, Sinking Feelings
If going up stairs, climbing hills, walking too far; if the least exertion causes you to stop to get your breath, or if you have weak, sinking feelings, it is time for you to stop and think as to the cause of your trouble. What you should do is take a course of Milburn's H. & N. Pills. They tone up and strengthen the vital organs so as to prevent any harmful attacks of disease. Ask your druggist for Milburn's H. & N. Pills.

Government House Will Be Scene of Changing Ministry

New Liberal Regime Starts Career Today With High Hopes But Same Problems as Affect All Administrations in Hard Times

ENTERING at the crest of boom days, and riding the depression down, the Tolmie Ministry will give place at noon today to the Pattullo Government, entering at the bottom and with reasonable assurance business is slowly on the mend.

The administration of the Province, with its debt of \$150,000,000 and its income of about \$20,000,000, and its outgo of approximately \$22,000,000, together with all the problems of government in hard times, will be shouldered by the incoming ministry.

TO ANNOUNCE CABINET

Resignation of the Tolmie Cabinet will be handed to the Lieutenant-Governor at 11 a.m., and it is expected the new Liberal regime will be ushered in inside of an hour. The Premier-elect, T. D. Pattullo, will be invited to form his ministry, and will then ask approval of his choice. If approval is conferred, the new ministry will be sworn in immediately to form the composition of the new Cabinet officially announced.

The final meeting of the outgoing Cabinet was held at 4 p.m. yesterday, when consideration was given to the status of a Provincial decision respecting taxation of the Pioneer Mine, following recent court action in the case. It is understood that the Cabinet, at the advice of its legal experts, reconsidered its previous ruling as to the value of the mine for taxation purposes.

FAREWELLS SAID

A constant stream of callers at the Legislative Buildings, yesterday, testified to the personal popularity of Premier Tolmie and his ministers, all but one of whom, Hon. R. H. Pooley, K.C., are retiring from

EQUALITY OF RACES URGED

Dr. A. Zimmern Addresses Students of College, High and Normal Schools

"Instead of Canadian delegates asking for aid for Ukrainians at Geneva, they should seek more equitable relations between white and non-white residents of this country. That is British Columbia's problem today," declared Dr. Alfred Zimmern, professor from Oxford University, in an address to 1,200 students of Victoria College, Victoria High School and the Provincial Normal School in the High School auditorium yesterday.

He urged the students to work in common with the peoples of Canada and the residents of Great Britain along with the other Dominions, for the benefit of the world as a whole, in regard to establishing a permanent peace and a more stable and sound League of Nations.

NICKEL SITUATION

Dr. Zimmern stated Canada held a unique position in controlling world armaments since 85 per cent of the world's nickel supply was produced in the Dominion. This metal, he explained, was very necessary in the construction of armaments and held that if Canada would restrict the sale of the metal armaments throughout the world could be curbed.

"Thousands of Canadian soldiers were killed during the war by Canadian produced nickel," he said. Prior to the war immense sales of nickel to Germany were carried out by this country, declared the speaker.

He placed partial blame of the Sino-Japanese trouble on this country, because of the attitude of its representative in forming the covenant of the League of Nations. He, however, condemned Japan for the stand it has taken.

EXECUTIVES NEEDED

Dr. Zimmern was against the establishing of dictatorships, declaring this was against the spirit of British democracy. The formation of many of the present dictatorships being set up in Europe was due to the weakness of the government and the necessity of placing one strong man in power. "Executives, who are powerful in their administration," he declared, "are necessary today."

The British system of government, with the parliament responsible to the people, was stronger at this time, because of its organization, as opposed to the countries under dictatorships, he said. "We carry on by evolution, not revolution," said Professor Zimmern.

The speaker urged students not to be swayed by mass emotion but

to think clearly for themselves and follow the leaders in a sane and sensible manner.

Carnival Frolic Plans Progress

In connection with the carnival frolics to be held at Mount Douglas High School, on Friday evening, commencing at 7:30 o'clock, it is now announced that a room is being set aside for the special use of bridge players, Mrs. R. W. Mercer being convener of this detail.

The affair is organized on the plan of a casino or midway at a fair, with fortune-telling, dancing by pupils of Miss Violet Powkes, and various other attractions. Patrons will find stalls of home-cooking, and refreshments of delectable kind, including tea and coffee. Mrs. F. G. Aldous is general convener of the affair, the proceeds of which are to go to the embellishment of the school grounds for various sports activities for the pupils.

WALTER WALKER NAMED TRUSTEE

Oak Bay School Board Completed by Election by Acclamation Yesterday

Walter M. Walker was elected yesterday a member of the Oak Bay School Board to complete the term vacated by R. R. Wilson. This term extends over the coming year, 1934.

The nominations closed at noon yesterday, with no other name submitted but that of Mr. Walker. The returning officer, R. F. Blandy, thereupon, at the conclusion of the hour for receiving nominations, announced Mr. Walker duly elected to the position.

The new trustee for Oak Bay was formerly a member of the City of Victoria Trustee Board.

Dick—Doesn't it madden you when a girl is slow about getting ready to go out to dinner with you? Don—Yes, the longer she takes, the hungrier she gets.

NEW KIWANIS HEAD CHOSEN

S. J. D. Clark Is President—Strong Body of Assistants on Executive

—Photo by Steffen-Colmer. S. J. D. CLARK

The formal election of the new executive of the Kiwanis Club took place yesterday, with S. J. D. Clark as president, A. D. King, vice-president; H. A. Leigh, treasurer, and the following directors: Harold Diggon, Will Dreyer, Arthur Dowell, Dr. T. W. A. Gray, Victor King, Frank Paulding and Mark Purser.

The new officers will take office at the beginning of the year. Yesterday was the annual meeting of the club, when the reports for the year were presented. J. B. Clearhough, the president, whose term of office is expiring, in his annual report of the year reported that the club had seventy-four members, having lost seventeen and admitted nine new members during the year. He urged that members, in spite of the conditions prevailing, should be active in securing new members for the club.

He thanked the orchestra for its regular attendance and the excellent music given. The T.B. seal campaign of the club had been attended with success. There had been about \$3,500 raised for this work. Mr. Clearhough further referred to the work that had been done by the club in this line of endeavor in fighting T.B. Under-nourished children had been looked after and milk was being supplied in a number of cases. The T.B. booth at the Fair had had great educational value.

FINANCES SATISFACTORY

The treasurer's report, presented by Victor King, showed the funds in good shape, with a substantial balance under the various divisions of work.

Byron Johnson, for the programme committee, made a brief report and was thanked for the excellent programme given. S. J. D. Clark, in reporting for the boy's work committee, took occasion to

"I do SOLEMNLY DECLARE that four years ago I was stricken with RHEUMATISM very badly. I couldn't move my arms or legs and was in bed for many months. I started taking Fruit-a-tives

Soon afterwards I was able to get up again. I feel fine now and have full use of my hands and legs."

John Sear

A sworn statement to the above effect was made before a Notary Public of Ontario at the City of Toronto, October 24th, 1933. Copy on file for your reference.

THOMAS BULMAN DIES AT VERNON

Earned Fame by Developing System of Evaporating Okanagan Vegetables and Fruit

VERNON, B.C., Nov. 14 (CP).—Thomas Bulman, sixty-one, who developed the evaporator during the last seventeen years of previously wasted vegetables in the Okanagan Valley, was dead today at his home here from complications which followed a recent severe attack of pneumonia. He died on Sunday night.

Mr. Bulman, with his brother, W. J. Bulman, was one of the founders of the well-known Winnipeg lithographing firm of Bulman Brothers. The brothers had gone to the Manitoba capital from their native Toronto in 1893.

In 1907, Thomas Bulman came to the Okanagan, and in 1916 began the evaporation of vegetables. Six years later marked his first evaporation of fruits. His plant is now considered one of the finest food manufacturing plants in Canada with an extensive market.

Mr. Bulman is survived by his widow, two sons, Ralph and William, and two daughters, Marjory and Berlye.

THOMAS MAWSON DIES IN ENGLAND

LANCASTER, England, Nov. 14 (AP).—Thomas H. Mawson, landscape architect and past president of the British Town Planning Institute, died today.

Mawson developed city planning schemes for Calgary, Banff, Regina and Vancouver, as well as for a number of English cities. He designed gardens at Hvidovre, Denmark, for Queen Alexandra. He wrote several books, including "The Art and Craft of Landscape Making."

Mawson married Anna Prentice in 1883 and had four sons and four daughters.

ST. MARTIN'S CHURCH HOLD ANNIVERSARY

In celebration of the seventh anniversary of the consecration of St. Martin's-in-the-Fields Church, ladies of the church gave a concert on Monday night. Following the programme, refreshments were served.

Pianoforte numbers were given by J. T. Fitteroff. A number of vocal solos rendered by Miss Ivy Bowles. Mrs. J. T. Fitteroff, Edmund Pearson and Mr. Ede, accompanied by Miss E. Friend, were well received. A humorous recitation was delivered by Mr. Wilson.

The "Rag Doll Parade" produced some clever dancing on the part of Miss Eileen Christie. In a musical tableau, those taking part were Mrs. G. Frew, Mrs. Bachevalier, Miss H. Hassenfratz, Miss Rose Wratten, Miss Christie and Mrs. Ede. Mrs. Jackman was soloist for the scene, while Eric Edward was pianist.

HEARS ARGUMENT RESPECTING PUMP

Magistrate George Jay Reserves His Decision Concerning Replacing Street Fixture

The attempt to prevent the National Motor Company, Ltd., from reconstructing its gasoline pump in front of its premises in the place of the one that was broken off on October 22 by being run into by an automobile, was before the police court yesterday. The evidence offered by the plaintiff in the action, the fire marshal of the province, was taken. For the motor company no evidence was submitted. Magistrate Jay reserved his judgment until Tuesday.

PRESENT ARGUMENT

W. B. Colvin, of the Attorney-General's department, representing the fire marshal, contended that the regulations against allowing pumps on streets or roads was for the safety of the public. When the regulations were made in 1921 prohibiting such pumps on the highways, provision was made to allow those in existence to be continued. This was a new pump and could not legally be allowed.

H. A. Maclean, K.C., for the motor company, set up the claim that the information laid against his company represented that it was under the provisions of the act, but it was in reality no such thing, but under the regulations made.

This was really the repairing of a pump that was being done. The act covered the subject of the storage of gasoline. This was not related to the present charge, which was with respect to a pump and not to storage. Regulations were allowed as to storage, but this did not allow the prohibition of it, which was the aim under the regulations made in 1921, when the power did not exist as now given.

STORE ROBBED OF TORCH APPARATUS

Two oxy-acetylene tanks and other accessories for operating acetylene torches were stolen from the premises of H. Edwards, 737 Broughton Street, it was reported to police, yesterday.

This is the second time within the past two weeks that such paraphernalia has been stolen. The apparatus first stolen was recovered near a grocery store safe in the James Bay area.

MINISTER MET BY MANDAMUS

Hon. J. W. Jones Called Upon to Review Decision on Pioneer Mine

Hon. J. W. Jones, Minister of Finance for the Province, had his final hours in that office rudely interrupted by a mandamus order issued out of the Supreme Court, calling upon him to take what the counsel for the Pioneer Mining Company of Bridge River claims is his duty under the act in adjusting the valuation of the property for purposes of taxation. In view of the fact that yesterday was expected to be his last day as the Minister of Finance, the order called upon Mr. Jones to act yesterday.

The order was granted by Mr. Justice D. A. McDonald in Vancouver, on the application of General J. A. Clark, K.C., representing the mining company. The order was signed late Monday evening by His Lordship, and yesterday morning General Clark arrived in the Capital and had the service completed.

MINISTRY NOT EXEMPT

There had been some doubt at first as to whether it were in order to proceed by way of mandamus against a Minister of the Crown, but investigation prompted the opinion that it was in proper line, and the course was accordingly taken.

The taking out of the mandamus order placed the minister in the position of court contempt, proceedings were action not taken along the lines indicated, which called for the reviewing of the valuation which had been placed upon the mining property.

The trouble arose over the depletion allowance which gave exemption to that amount, and which the Pioneer company claims was not sufficiently high under the valuation placed on the mine by the minister. It is considered that there are rules governing the fixing of the valuation, which have not been followed by the minister in the carrying out of his duties, and which it was sought to have remedied.

FORUM IS FORMED BY OAK BAY MEN

Members of United Church Discussion Club Band Together in New Organization

The Oak Bay men's forum, formerly the men's discussion club of the Oak Bay United Church, held its first meeting of the year on Monday. The meeting proved to be a great success, and much business was transacted. The usual reading of the minutes by the secretary, a committee of six members was elected, consisting of Messrs. Williams, Hollins, Clearhough, Knight, Patterson and Dr. G. B. Switzer. This committee will, in future, choose the subjects to be discussed throughout the year.

The greater part of the evening was given over to a discussion of the economic system of today; its origin, its achievements and its failings. C. G. Gibbard, besides acting as chairman, very ably outlined the origin of this system. He showed how a gradual change in economic systems has taken place since the time of serfdom and the guild system, up to the establishment of the Bank of England and the capitalist system.

The next speaker, Mr. Carruthers, gave a very interesting discourse on the achievements of the

capitalist system, and he remarked that, although he was speaking on that system, he did not necessarily agree with all that it stood for. Captain Wright finally wound up the discussion by giving his views regarding the failings of the existing system.

Community singing, led by Mr. Ruffell, added much enjoyment to the gathering. Finally the group gave unanimous support to the suggestion that they be a community affair. All were welcome.

First Pictures Of World Cruise Are Shown Here

Pictures of the around-the-world cruise of H.M.S. Hood and H.M.S. Repulse, and a squadron of "D" class destroyers were shown to members of the Naval Veterans' Branch of the British Empire Service League, through the kind permission of Commander Victor G. Brodeur, commander of the Naval Barracks, Esquimalt, last night.

These motion pictures were the first to be seen here publicly of the history-making cruise, in 1924, from Plymouth, Fine views of Africa, Australia, New Zealand, Victoria, Vancouver, San Francisco, Panama Canal and ports in Eastern Canada were seen.

Chief Torpedo Gunner's Mate J. R. Herring and Gunner's Mate George Irvine showed the films.

To End a Cough In a Hurry, Mix This at Home

Saves Big Dollars! No Cooking!

Millions of housewives have found that, by mixing their own cough medicine, they get a purer, more effective remedy. They use a recipe which costs only one-fourth as much as ready-made medicine, but which really has no equal for breaking up obstinate coughs. From any drugstore, get 2 1/2 ounces of Pinex. Pour this into a 16 oz. bottle, and add granulated sugar syrup to fill this big bottle. The syrup is easily made with 2 cups sugar and one cup water, stirred a few moments until dissolved. No cooking needed. It's no trouble at all, and makes the most active equal for breaking up obstinate coughs. Perfectly, and children love its taste. Its quick action in loosening the phlegm, clearing the air passages, and soothing away the inflammation, has caused it to be used in more homes than any other cough remedy.

Pinex is a highly concentrated compound of Norway Pine, famous for its healing effect on throat membranes. It is guaranteed to give prompt relief or money refunded.

WAS BURIED YESTERDAY

The funeral of Mrs. Albin Molly McKay, who passed away suddenly at St. Joseph's Hospital on November 11, took place yesterday afternoon at 2 o'clock. Rev. A. de la Owen conducted a very impressive service to a large gathering of relatives and sympathizing friends. The beautiful floral designs belokened the popularity of the deceased. The following acted as pallbearers: H. P. Craigie, J. Weeks, J. Trace, A. Rhode, S. Hutchison and H. Logan. Interment was made at the Colwood Burial Park.

LAID AT REST

Funeral service for William Alfred Jones, who passed away November 10, took place yesterday afternoon at 2 o'clock. Dr. Clem Davies officiating. Many friends attended and the casket and hearse were covered with many beautiful floral tributes sent by surviving friends. The following were pallbearers: H. P. Craigie, A. Walkins, G. McCann, R. Shadde, T. Davies and J. W. Elliott. Interment was made in the family plot in Ross Bay Cemetery.

TRADE OPENING FOR B.C. GOODS

Fish, Lumber, Food and Textiles Subject of Overseas Inquiries

Fish, seeds, wool, brooms, bathing suits, lumber, cement and meat are products of British Columbia desired in foreign markets, according to data forwarded to the Bureau of Provincial Information, Victoria, by the Department of Trade and Commerce at Ottawa. The bureau supplies the following details:

Agents in France desire contact with exporters of canned salmon. Codfish is sought for the Cuban market. The market for wool in Holland is rated as good. Imports last year amounted to \$322 metric tons, valued at \$3,121,330 gold. A market in Trinidad exists for woolen bathing suits. Imports in 1932 were valued at \$291,000.

LUMBER PRODUCTS

A firm in the Irish Free State desires to purchase Douglas fir. This firm purchases about fifty standards at times and wants quotations on two types, namely, metric type and clear and better type. Present price being paid is approximately \$55 per standard c.f. Dublin for the merchantable type and \$40 for the clear and better. Supplies at present are obtained from Glasgow brokers, but this firm would rather purchase direct from Canada.

A Brussels importer desires to hear from exporters of Douglas fir plywood in view of an agency arrangement. This firm did business last year to the extent of 1,640 square feet and say they could handle a minimum quantity of thirty car lots of Canadian Douglas fir plywood per year.

OTHER PRODUCTS

A good market exists in Turkey for wrapping paper, printing paper, newsprint and cardboard. A firm of agents desire contact with exporters of paper and cardboard with view to representation or purchase.

Portland cement is being sought by a firm in the Federated Malay States. This firm will either represent exporters or purchase direct. Last year imports amounted to 192,178 tons, valued at \$2,850,672.

An agent in Newfoundland desires to represent exporters of fruit, vegetables and flower seeds in that market.

Further particulars, such as customs duties, taxes, etc., may be had from the bureau, at Victoria.

Y.P.S. News

KNOW

The Knox Presbyterian Young People's Society met on Monday, with the president, Miss Louise Patterson, in the chair. Mr. Reginald Scott gave a very interesting illustrated talk on "From Flanders to the Christian Pulpit." The pictures of France and the numerous souvenirs shown made all presenters realize the horrors and terrible things all soldiers had to go through. It was decided to hold the anniversary banquet and concert on November 29 at 6:30 p.m. All members were reminded to attend the sing-song at the Y.M.C.A. next Sunday at 9 p.m. The society decided to cancel its regular meeting next Wednesday and attend the Youth Conference being sponsored by the Presbyterian Young People's Association, at St. Paul's Presbyterian Church at 8 p.m., when Rev. Dr. Kannawin, of Toronto, head of the Presbyterian Church in Canada, will be the guest speaker. Knox Y.P.S. members are to meet at corner of Yates and Douglas Streets, at 7:30 p.m., to attend this gathering.

METROPOLITAN

"Armistice by Television" was the unusual topic of the Monday evening programme of the Metropolitan Young People's Society. Group meetings were followed by the singing of Christmas hymns. "The Prince of Peace" was the theme for the worship service led by Elbert Wood. "The Soldier's Prayer" was given by James Taylor, and a reading, "What the Prince of Peace Might Say" by Catherine Craig. Two minutes of silence was observed. Doris Smith gave a "Prayer for Peace." The first picture on the television screen was the "Call to Arms," a cornet solo, "Reveille," by Mr. J. Moser. The "Last Post" was played by the Red Cross band. Hazel McPhee, solo, Miss Molly Lait, Next, a skill. The Recruiting Officer, by Donald McCain and Bert Simpson. "Pack Up Your Troubles in Your Old Kit Bag," James Taylor, solo, John Bray. "The Trumpet," James Taylor, and solo, John Bray. A review of Beverly Nichols' latest book, "Cry Havoc," was dramatically presented by Rev. J. H. A. Watt, showing the horrible possibilities of another war, and challenging every young person to annihilate the war mind. Two more pictures followed, namely, "Good-Bye," presented by Simpson and Florence Gillis, and "Home Again," by Jeanette Young, Marian Evans, Bert Simpson, and Donald McCain. The "Last Post" was sounded by Mr. J. Moser. The treasurer reported very successful financial returns from the "Miniature World's Fair." Next week, a humorous debate will be held.

Sale of Poppies

Makes Nice Sum

CHEMUNUS, Nov. 14.—The sale of poppies, conducted by the veterans in Chemunus and district this year, was in charge of Cyrus Page, with the following helpers: Miss M. Robinson, Mrs. L. Hill, Misses R. Lowe, Betty Lowe, E. V. Work, G. V. Work, V. Wylie, H. Johnston, Master H. Porter, and the teachers and principal of Chemunus and Salford schools. The total amount collected amounted to \$73.17.

Mrs. C. F. Newton

Passes in England

According to word received here, yesterday, Mrs. C. F. Newton, former Victoria resident, died in Westminster Hospital, London, England, on November 1. Before her marriage she was Mrs. Kelly, third daughter of the late J. W. Kelly and Mrs. Kelly. She had been ill for one year.

Mrs. Newton is survived by her husband and one son, David Bruce, aged fourteen months; her mother, Mrs. M. A. Kelly, Los Angeles; two sisters, Jean Merrill, Long Beach, and Mrs. Helen Grant, North Carolina; four brothers, James and Fred, Santa Maria; Russell, Buffalo, and Richard, Adelaide, N.S.W.

Mrs. Kelly, mother of the deceased, had spent the last year with her daughter, and will return with her grandson to her home in California city. Mrs. Newton was niece of Mrs. Thomas Dunn and Mrs. S. L. Crocker, of Victoria.

MUSIC TREND IS AGAIN TO PIANO

James H. Fletcher Says Revival Seen in Musical World—Instruments Cost Little

"There is no question that the piano is becoming increasingly popular, and in the very near future it will once again occupy its unchallenged position as the world's foremost musical instrument," says James H. Fletcher, of Fletcher Bros' music store. "An entire generation has been raised in an atmosphere of mechanical music, and there is once more being manifested a desire to learn to play, to create music by one's own ability."

Foremost as a factor in the re-creating popularity of the piano is the change that has taken place in teaching methods. In Victoria there are many progressive and gifted teachers. These men and women are real musicians, whose influence and enthusiasm carry the young pupil forward to greater accomplishments. With their more interesting methods of tuition, these teachers find that the curiosity of the student is aroused from the very beginning. There could be no clearer evidence of the return of the piano to its old position than the audience which filled the Royal Victoria Theatre on Monday evening to hear Jas. Chermak, and the Vancouver Symphony Orchestra. Mr. Chermak proved himself an artist of the first rank, and one whose musicianship will be an inspiration to all who hear him.

"Undoubtedly the returning popularity of the piano has also been caused by the ridiculously low prices at which pianos are being sold. These have been sold in recent years," says Mr. Fletcher. "Better quality instruments are taken into the homes, and there they stay, for when one is lucky enough to secure a fine piano, it becomes a prized possession, and to part with it again is something that one does not care to contemplate. When piano factories are again in full production, prices will unquestionably be much higher than they are today."

Weddings

SINGINSON-KELLOW

A pretty wedding was solemnized at St. Luke's Church, Cedar Hill, on Saturday last, at 8 p.m. when Hilda, daughter of Mr. and Mrs. Alfred Kellow, Cordova Bay, British Columbia, was united in marriage to the bride, Miss Reginald Singinson, daughter of Mr. and Mrs. Singinson, of Victoria. Rev. S. R. Ryal officiating. The bride entered the church on the arm of her father and was wearing a gown of midnight blue satin, with hat to match, and carried a bouquet of pink and white carnations. Miss Nan White, bride's maid, wore a gown of white, with a blue sash, and carried a bouquet of pink and white carnations. The church had been beautifully decorated with yellow and white chrysanthemums and fern. During the ceremony, the hymns, "The Lord's Prayer," "All Hail The Power of Jesus Name," and "The Church's One Foundation" were sung. A reception and buffet supper was held at McMoran's Pavilion, Cordova Bay, where the bride and groom were entertained by the bride's family and friends. During the ceremony, the hymns, "The Lord's Prayer," "All Hail The Power of Jesus Name," and "The Church's One Foundation" were sung. A reception and buffet supper was held at McMoran's Pavilion, Cordova Bay, where the bride and groom were entertained by the bride's family and friends.

Announcements

Before Deciding to take any

treatment for the removal of super-

fluous hair, it is well to consult

Mr. J. Moser, of the "Last Post"

method advertised which appear

very simple and safe, whereas in

truth they are very dangerous. In-

quiries by Donald McCain and Bert

Simpson. "Pack Up Your Troubles

in Your Old Kit Bag," James Tay-

lor, solo, John Bray. "The Trump-

et," James Taylor, and solo, John

Bray. A review of Beverly Nichols'

latest book, "Cry Havoc," was

dramatically presented by Rev. J. H.

A. Watt, showing the horrible possi-

bilities of another war, and chal-

lenging every young person to an-

nihilate the war mind. Two more

pictures followed, namely, "Good-

Bye," presented by Simpson and

Florence Gillis, and "Home Again,"

by Jeanette Young, Marian Evans,

Bert Simpson, and Donald McCain.

The "Last Post" was sounded by

Mr. J. Moser. The treasurer reported

very successful financial returns from

the "Miniature World's Fair." Next

week, a humorous debate will be

held.

City and District

Condition Fair—Mrs. W. D. Coffey

who suffered head injuries in a bicycle accident on the East Saanich Road, Monday night, was reported by hospital attendants to be in a fair condition, last night.

Naval Veterans to Meet—The

annual monthly general meeting of Naval Veterans' Branch, No. 42, of the Canadian Legion, will be held in the clubrooms on Friday next at 8 p.m.

Wire Down—Traffic was tied up

for some time on Oswego Street, last night, when an electric wire broke and fell on to the street. The B.C.E.R. Company repair car soon fixed the break, however, and traffic was resumed.

Date of Concert Changed—The

free concert in the Citizens' Recreation Rooms planned for Friday afternoon, has been put forward one day to Thursday, at 8 p.m. The programme is being sponsored and arranged by the Welsh Society.

Trades Council—Little except

routine business will come up at the regular meeting of the Trades and Labor Council tonight, according to officials, owing to the number of political meetings being held at this time.

City Council Meeting—A meeting

of the City Council may be held on Friday afternoon, in place of the usual public works committee meeting, it was learned at the City Hall yesterday. If this meeting is held, there will be no meeting of the council on Monday night.

To Arrange Campaign—A meeting

of those interested in the T.B. seal campaign, sponsored by the Kiwanis Club each year, will be held at 8 o'clock on Friday at the office of Pimley's Limited. The committee is under the charge of Frank George.

Gives Address—An interesting

lecture was presented at the general monthly meeting of the Pro Patria Branch of the Canadian Legion, last night, by Sir Perry Lake, on his recent visit to the British Empire Service League Convention in London.

Delays Judgment—After hearing

further evidence in a case of alleged assault against Harry Hocking in the city police court, Magistrate Jay yesterday reserved his decision in order to have the opportunity of going over the evidence submitted.

Will Offer Relief—Volunteers

were called for by Victor King at the Kiwanis Club yesterday to attend as servers of those who take meals at the Sunshine Inn on a few Sundays, thus affording a rest to those who have been doing this duty in the past. There was a ready response.

Meeting Tonight—Continuing

I.O.D.E. Activities

Commodore Broughton Chapter

Final arrangements were made recently by the Commodore Broughton Chapter for the bazaar to be held in the New Thought Temple Hall on Friday afternoon, from 3 to 6 o'clock. Tea will be served.

Needy Children

To Be Assisted

By Welfare Tea

In accordance with their custom

of holding a "shop" each year in

aid of their child welfare work,

members of Gonzales Chapter,

I.O.D.E., arranged a most delightful

afternoon, yesterday, at the home

of Mrs. Walter C. Nichol, the

regent.

About sixty members of the

chapter, and their friends, were wel-

comed by the hostess, Mrs. H. J. Davis, convenor of child

welfare work in the chapter. As the

guests arrived, they deposited their

contributions to the library, where they

were arranged for sale, and, totaling

approximately 130 garments,

including dresses, blouses, coats,

and a host of other articles, which

will be sent out to needy families by

the convenor at Christmas time. A

generous donation of cash was also

received.

MUSICAL PROGRAMME

A short musical programme in

the drawing-room was much en-

joyed. Mrs. B. H. T. Drake singing

"Morning Hymn" (Henschel), "Ola

il Sole Del Gange" (Scarlatti), and

"Little Brother's Lullaby" (Jan

Broek). Mrs. Drake's singing

gave great pleasure, and her choice

of music was a happy one. Mrs.

A. Rickard, another favorite

Victoria vocalist, sang very charm-

ingly, "To the Children" (Rach-

maninoff), "A Fairy Story by the

Fire," and "A. A. Milne's 'The

Immortal Poems Set to Music by

Fraser-Simson: 'Halfway Down,'

'Vespers,' and 'Buckingham Pal-

ace.'" Mr. Edg. Holloway was the

accompanist. Mrs. Harry Morden

delighted her hearers with two

piano solos, a Chopin Etude, and

'Egeria,' by Kroeger.

Tea was served in the dining-

room, where the table was beau-

tifully arranged with a bowl of chrys-

anthemums and matching candles,

in silver candelabra. Mrs. Davis

was convenor of the tea arrange-

ments, and was assisted by Mrs.

William Bell, Mrs. P. F. Curtis, Mrs.

B. H. T. Drake, and Miss Clearhouse.

LIBERALS DANCE

Ward Two Liberals will hold an-

other of their delightful get-to-

gether dances at headquarters at

the corner of Government and

Broughton Streets on Friday eve-

ning at 8 o'clock. The usual effi-

cient orchestra will dispense music,

and a good time is assured. There

will also be a contest. All Liberals

and their friends are cordially in-

vited.

NOTED SCULPTOR DIES

LONDON, Nov. 14 (CP).—John

Tweed, sculptor, whose most noted

works are memorials, died last

night. Tweed executed the me-

morial to Earl Kitchener of Khar-

toun, which stands in the Horse

Guards parade.

FUNERAL TODAY

The funeral of Henry Moore Bell

will be held this afternoon at 2

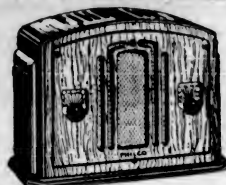

o'clock from the Sands Mortuary.

The interment will be at the

service, and the remains will be

laid at rest in the family plot at

Ross Bay Cemetery.

MARINE, RAIL and AIR

PREFER NOT TO BOYCOTT

Wool Would Advance in Price, Following Japanese Action

A controversy was started in Japan when Australia announced its recent tariff changes. The spinners are all for passing up Australia, while the wool buyers cannot see how that would benefit Japan if brought about. According to the Japan Wool Industry Association, Japan cannot boycott Australian wool in retaliation for Australian tariff. Ninety per cent of Japan's wool requirements are filled by the Australians.

South America may be able to supply wool to some extent, but the total clip there is but 700,000 bales annually. If Japan were to try and buy it all, the price would rise. Moreover, states the association, the quality is not so good. Answering the economic patriots that the Japan-Manchukuo Association is the answer to the nation's prayers, the association points out that little can be expected from that territory for ten years, and that even then Manchuria is not likely to provide more than a portion of the wool needed by Japan. South Africa produces a certain amount of wool, but cannot take the place of Australia. Therefore, the body argues, talk of a boycott is foolish.

FAIRLY SUCCESSFUL

So far, Japanese spinners have been fairly successful in boycotting Indian raw cotton. Now they are trying to push the wool spinners

Canadian Railroad Veteran Passes

GEORGE T. BELL
Who was executive assistant to traffic vice-president, Canadian National Railway when he retired in November, 1926. He died at Montreal yesterday.

into a boycott of Australian wool. The wool spinners don't like the idea of a boycott, pointing out that it would be more sensible for Japan to reduce its purchases in Australia from year to year, as outside supplies can be developed economically.

"Japan's boycott of Australian wool would mean that Japan would have to buy in New Zealand, South Africa and South America. This would force down the Australian wool price and benefit European competitors and boost prices in the markets where Japan buys, hurting Japan," according to the Chicago Shogyo, prominent Japanese Journal.

POPULAR FARES MAKING APPEAL

Many Inquiries Promise Heavy Travel Movement From East to Coast

WINNIPEG, Nov. 14.—To meet a popular appeal for winter holiday rates to the Pacific Coast, both Canadian railways are offering return tickets from Eastern Canada to the West Coast at the same low fares as were in effect during the summer for sea-son limit. Summer tourist tickets, G. P. Riddell, chairman of the Canadian Passenger Association, making this announcement today, stated that these tickets would be on sale in Eastern offices of the railways from November 15 to February 28, with return portion good until April 30.

Mr. Riddell considers the number of inquiries pouring into the passenger departments of the Canadian railways daily at this time of year an indication that Canadians are becoming more and more Canadian-minded in their choice of winter holiday locations.

Year by year, he says, the Pacific Coast, protected from winter severity by great mountain ranges and the Japanese current, presents an ideal change for winter rest and recreation. Golf, fishing, tennis and other "summer" sports are year-round pursuits in Canada's Western centres, Vancouver and Victoria.

Christmas Mails For South Seas Close on Monday

The public should note that Christmas mails for Australia and New Zealand should be posted not later than November 19, in order to reach their destination before Christmas. Postmaster G. H. Gardiner stated yesterday. Articles for

parcel post should be mailed not later than November 18. Mails for Australia and New Zealand will go forward on the S.S. Maunagani, from San Francisco, the postmaster stated, which ship is due at Wellington on December 11, and at Sydney on December 13. After the dispatch of mails per S.S. Maunagani, the next dispatch will be by S.S. Aorangi, on December 6. The Aorangi, however, is not due to reach Auckland on December 29, and Sydney December 30.

Christmas mails for Suva, Fiji, can be posted up to 4 o'clock on December 6, as the Aorangi will reach Suva on December 22.

PLAN TO FLY SOUTH ROUTE

Lindberghs Will Probably Explore Way Across Atlantic in Easy Stages

CALEDONIA DE TUY, Spain, Nov. 14 (AP).—Colonel Charles A. Lindbergh said today he is thinking of making an exploration tour across the Atlantic Ocean by the southern route, similar to his recent stage-by-stage flight of the North Atlantic, and has no thought of a non-stop flight.

Colonel Lindbergh, who with Mrs. Lindbergh, stayed aboard their plane last night after they were forced down by fog on a flight from Santa, Spain, to Lisbon, was taken ashore today and he and Mrs. Lindbergh were entertained by village authorities. They said prevailing fog and storm would keep them here until tomorrow, when they hoped to continue their trip to Lisbon.

PLANNED BEFORE

The forthcoming Lindbergh trans-Atlantic flight, according to aviation officials, is the one originally mapped by the late Captain Allen Winslow, of Pan-American Airways, in whose interests the Lindberghs are making their present aerial survey.

The Winslow route included lands at Bermuda and the Azores. It was this route Italo Balbo, former minister of Aviation in Italy, and his great air armada followed on their return from Chicago this summer.

Aviation authorities feel this year will have a thorough check of flying conditions in both directions across the northern and southern routes over the North Atlantic Ocean.

FOG DELAYS FREIGHTERS

Ships Anchor and Remain at Mainland Docks Until Weather Clears

VANCOUVER, Nov. 14 (CP).—Five deep-sea ships were anchored off Fraser River sandheads today, awaiting lifting of the fog before proceeding up the river. They were: S.S. Regalia, which has been waiting since Sunday night; S.S. Cord, waiting since early Monday morning; S.S. San Francisco, since early Monday morning; and S.S. Oregon Express, since noon today. The fifth ship is the Golden Eagle, which left here at 8 o'clock this morning.

Several ships are at berth on the river, ready to sail, but in Vancouver Harbor, also, there are some deep-sea ships which have delayed their departures owing to the fog which has enveloped the harbor and the Gulf during the past couple of days.

Canadian-Australasian Line reports Mrs. Hauraki due Thursday afternoon, weather permitting, with a full cargo of canned goods, dried fruits, hemp and brandy. The brandy consignment consists of 400 cases from Australia for provincial liquor boards, and the dried fruit consignment consists of 18,000 cases.

SAILS SOUTH TONIGHT

On her way south to California ports, the Pacific Steamship Line's S.S. Ruth Alexander will arrive here this evening at 10 o'clock. Embarking Island and Mainland travelers proceeding to San Francisco and Wilmington, the Ruth will clear from Rithet Piers at midnight.

At a party, a necklace a woman was wearing was much admired. She took it off to show it better and it was passed from hand to hand. Later it was not forthcoming. "The joke has gone far enough," the host said. "I'll put this silver dish on the table, turn on the electric light, count one hundred, and expect to find the necklace on the dish when I turn on the light again." When he turned on the light the dish also had vanished!

Chinese Firemen of Freighter Arrested by Police

VANCOUVER, Nov. 14 (CP).—Unaware their ship, City of Victoria, had been under close police surveillance since she arrived on the Fraser River from the Orient Sunday, three Chinese firemen were arrested today when they allegedly came ashore with eleven cans of opium. Police state the men had been negotiating to sell opium to a white man, actually a member of the Royal Canadian Mounted Police.

The cans were found in possession of the Chinese, according to police. The arrested men gave their names as Yu Loong Yee, Ju Ah Sze and Loo Ah Yung. They acted in police court charged under the Narcotic Drugs Act and were remanded one week by Magistrate E. G. Walker.

PLANE FORCED DOWN BY GALE

Mercy Flight Ends at Akla-vik After Delay at Fort Norman

EDMONTON, Nov. 14 (CP).—Bearing Victor Ingraham, seriously injured in the fire and explosion which took two lives and destroyed the Northern waterways schooner Speed on Great Bear Lake on October 25, the airplane piloted by John Bythell, landed at Akla-vik, N.W.T., this afternoon. Bythell had been delayed overnight at Fort Norman by a blizzard which overtook him during his flight from Cameron Bay.

Word of the completion of the mercy flight was received here by C. H. Dickens, Canadian Airways superintendent, in a radio message from Bythell. The message simply said "Arrived Akla-vik at 2:15. Everything O.K."

Due to atmospheric conditions hampering Northern radio communications, it was regarded as unlikely anything further on Ingraham's condition would be received before tomorrow morning.

Ingraham, skipper of the Speed, is suffering from burns and from frostbite suffered after the destruction of his vessel. Earlier reports have indicated amputation of a leg may be necessary. He will receive treatment from Dr. J. A. Urquhart in Akla-vik Hospital.

Sprang Leak and Went Down; Crew Of Five Rescued

KINGSTON, Ont., Nov. 14 (CP).—The tug Florence, owned by the Dominion Tankers of Toronto, sank today four miles off Point Traverse, Prince Edward County. Her crew of five was rescued.

After battling a heavy sea all night, the vessel sprang a leak and sank in eight feet of water at 6 o'clock this morning. The crew put off in a small boat, and reached shore safely.

Members of the crew are: Captain Charles Willard, Kingston; chief engineer, William Wright, Toronto; David Willard and Floyd Eves, Kingston, and William Shick, Toronto.

The Florence was 100 feet long with a twenty-seven-foot beam, and weighed eighty-seven tons.

Thirteen years ago, Mrs. McCulluck lived in Victoria, when her daughter taught at the Victoria High School.

CANADIENS AND SENATORS CHALK UP VICTORIES

England and Wales Will Battle Today In Soccer Fixture

Fifth International Match of Season Scheduled at Newcastle—Strong Teams Will Take Field in Important Encounter

NEWCASTLE, Eng., Nov. 14 (CP).—England and Wales clash here tomorrow in the fifth international soccer match of the present season, and a win for England will put them at the top of the standing, a point in front of Wales and Ireland at present tied for the leadership.

England will field the same eleven that defeated Ireland a month ago in the only match England have so far played, while Wales is making some changes from the team that have won one game and drawn another for the Welsh.

The teams: Wales—John (Stoke City) goal;

Lawrence (Swansea) and Ellis (Motherwell) backs; Murphy (West Bromwich), Griffiths (Middlesbrough) and Richards (Wolverhampton) halfbacks; Phillips (Wolverhampton), O'Sullivan (Tottenham), Astley (Aston Villa), Mills (Clapton Orient) and Evans (Spurs) forwards.

DENTIST BUYS HOCKEY TEAM

Dr. Frank C. Wainwright, of Toronto, Purchases St. Louis Ice Squad

ST. LOUIS, Nov. 13 (AP).—Purchase of the St. Louis Club of the American Association Hockey League and the re-engagement of Albert Hughes as coach was announced here today by Dr. Frank C. Wainwright, of Toronto.

Dr. Wainwright, dentist and former professional and amateur hockey player, said he would take charge of business affairs of the club. Hughes, suspended last spring during a controversy over the league playoffs, had later reinstated, will have full charge of training and handling the team, Wainwright explained.

Tenale salary agreements have been made with Mike Karakas, Rennie and Leo Carole, defence men, the new owner said. All were with St. Louis last year. Dr. Wainwright, president of the St. Louis team last season, has severed connection with the club.

WOMEN'S SQUAD CAPTURES MATCH

Defeats Male Team in the Remembrance Day Fixture at Royal Colwood Golf Club

Winning the last four matches, the women members won the Remembrance Day annual match from the men at the Royal Colwood Golf Club, by a 6 to 5 score. Fourteen were played with the females allowed a handicap of ten strokes. Competition was keen throughout, and some close results featured.

Results follow: Mrs. Jackson and Mrs. F. Sayward-Wilson, 6; F. Sayward-Wilson and A. B. Christopher, 1; Mrs. Bennett and Mrs. Hodgson, 1; Mrs. Sayward and P. Edmonds, 1; Miss F. Fitzgibbon and Miss Audain, 1; D. A. Macdonald and L. Glisan, 0.

Miss P. Hodgson and Miss Bethell, 0; H. G. MacKenzie and H. Mearns, 1; Mrs. P. Abell and Miss L. K. Carey, 1; Dr. George Hall and Dr. M. K. Key, 0.

Mrs. J. H. Richardson and Mrs. H. F. Crowe, 0; T. H. Leeming and George Strath, 1; Mrs. O. Squire and Mrs. W. H. Lawson, 0; T. S. McPherson and J. H. Richardson, 1.

Mrs. R. Jones and Mrs. Macdonald, 1; J. N. Findlay and T. A. R. Dennison, 0.

Mrs. Macfarlane and Mrs. D. Spencer, 1; A. W. Miller and Dr. F. M. Bryant, 0.

Mrs. H. E. Brown and Dr. G. M. Luden, 1; R. V. Hocking and A. S. Balcom, 0.

Mrs. Semple and Mrs. Pocock, 1; J. H. Beatty and H. Hewlett, 0.

Teams follow: Victoria—Wilson, 942; Porter, 960; Howell, 929; Falk, 1,006, and Fox, 1,021.

Vancouver—Ferguson, 1,016; Proctor, 938; Maxwell, 954; Brown, 992, and Crooks, 1,187.

VANCOUVER, Nov. 14 (CP).—Two Prairie amateur hockey players, trying for berths with Vancouver Lions, of the Northwestern professional circuit, have been turned down by Manager Guy Patrick. Neither Lex Cook, of Edmonton, nor Jack Alwinworth, Red Deer, made the grade with the Lions, and have left the training camp, Patrick announced.

COLONIST TO FACE CLUBMEN IN HOOP GAME

Newsies and Tilliums Will Meet in Feature Tonight—Blue Ribbons to Play

Frank Elliott's Colonist quintette, undefeated so far this season, and the Tilliums, who have only dropped one decision, will clash in the feature game on this evening's programme in the City Basketball League at the High School Gymnasium. The squads will hook up in the second issue on the list and in the senior "B" division. Both teams will be at full strength and a tough argument is expected all the way. Hudson's Bay girls and Cardinals will meet in the opener in the intermediate "A" section, while Slingers and Blue Ribbons will provide the attraction in the final game. The opener starts at 7:30 o'clock, with Tommy Macdonald as referee.

Victory for the newsies against the clubmen will widen their lead in the race for the honors, while a decision the other way will create a deadlock for the premier berth between the two squads. The first time they met this season, the morning newspaper crew put over the clubmen by a close margin. The Colonist will have Bill Clarke, Gordie Moore, Vic Rogers, Frank Elliott, Albert Smith, Wally Stipe, Gordie Scott and McKeachie on hand, while the Tilliums boast of such players as Billy Hill, Marvin Woods, Bill Pasmore, Sam Smith, Len Baker, Les Bradley, Gordie Pettit and Cooney Jones.

RIBBONS TO SHOW
The Canadian champions are expected to give another finished display against Slingers and keep their unbeaten record in league competition intact. Recently the Ribbons have been giving the fans machine-like performances and they have enjoyed them, despite the fact their league fixtures have been more or less one-sided.

UNIVERSITY WINS FROM HIGH TEAM

Mount Tielme Students Whip Victoria, 12-9, in Rugby Exhibition—Peden Scores Twice

University School again took Victoria High School Rugby fifteen into camp, yesterday, on the high school ground, 12-9. Peden scored two tries, playing a first class game for the school. Teague and McPherson accounted for the other two tries made by University. There were no conversions.

Victoria High—G. Langdon, O. Cuelpa, V. Painter, V. Woodward, B. Moffatt, B. Winby, B. Cross, T. Maybee, D. Chisum, McDonald and Gossman.

University—Smith, Adams, Peden, Gee, McPherson, Berry, Sower, Teague, Murray, Brand, Kremlin, Bonor, Neil, Barclay and Traill.

Keep Speed in the Family

KAYE Don, famous British automobile and motorboat speed king, Working Senior Mountain Handicap auto race recently. At the right is Freddie Dixon, Miss Don's partner in the contest.

Fine Mat Card to Be Presented Here On Saturday Night

Wrestling to Return to City After Long Absence—Wildcat Pete Matched With Freddie McDermott—Stradiotti Meets Kennedy

Exponents of the wrestling pastime will make their return to Victoria Saturday evening, when Promoter Fred Richardson puts on an international card at the Tillium gymnasium, commencing at 8:45 o'clock. For his main event over the eight ten-minute round distance, the local matchmaker will have "Wildcat" Pete, of Oregon, and Wild Freddie McDermott, Canada, while the semi-wind-up will be featured by the presence of Bob Kennedy, Wisconsin, and Napoleon Stradiotti, of Vancouver.

In the curtain-raiser, Fat Griffin and Johnny Masters, two local boys, will provide the entertainment. Of the four outsiders signed to appear here, only one, Wildcat Pete, is known to Victorians. Pete has shown before local fans on several occasions, and is known as a grappler of the rough and tumble class. He takes plenty of punishment, and gives just as much. His opponent, McDermott, is a smart performer, having been given headlines on the Mainland, and other centres more than once.

The semi-wind-up should be a bout of plenty of action, as Stradiotti is known in wrestling circles as one of the wildest matmen in the game, and will remind the ringsiders of Sammy Vangler, Portland, who was about as wild as they made them, while in the ring. The local preliminary should be good, and a large crowd is expected.

AT ARCADE ALLEYS

Naval Veterans—D. Clarke, 666, E. Prebble, 497, C. Chalmers, 729, low score, 284; low score, 448, Total, 2,734.

Pre-Patria—C. Kinney, 508, W. Bevis, 486, R. Lea, 371, D. Donah, 393, W. Morry, 372, Total, 2,687.

Veterans of Fraser—C. Rodway, 480, J. Maxwell, 441, P. Carter, 316, O. Greer, 321, F. Whitford, 381, Total, 2,339.

British—J. B. Smith, 408, P. Phillips, 578, D. Cronan, 585, V. Scarborough, 357, J. Huxtable, 594, R. Milburn, 317, Total, 2,760.

Britannia—won three.

AT OLYMPIC ALLEYS

Kinsman Club vs. Revellers Club. The Kinsman Club challenged the Revellers to a fivepin bowling match at Olympic Alleys last night, and secured defeat by losing three games. Scores follow:

Kinsman Club—Sam Smith, 418; George Pat, 292; Ed Smith, 278; Archie Smith, 460; Bob Mass, 142; W. Pasmore, 216. Total, 1,766.

Revellers—Bernie Ollie, 504; Bernie Hunter, 429; Will Burrows, 492; Cooper Newbury, 342; George Smith, 489; Edwardson, 280; Travers Cuthbert, 178. Total, 2,326.

Revellers won three.

Woolworth No. 1—A. Newell, 312; D. Blackstock, 285; W. Doidge, 312; N. Mann, 321. Total, 1,232.

Marionette Library—T. Dewar, 400; R. Bell, 400; T. Renier, 422; P. Greenwood, 393; E. Watson, 440. Total, 2,324.

Happy-Go-Lucky—D. McBeath, 422; E. Bradshaw, 226; J. Ramsdale, 297; E. McBeath, 408; D. Horn, 446. Total, 2,018.

Magneta—M. Campbell, 580; D. Jones, 578; J. K. Stewart, 428; low score, 226. Total, 2,392.

Flashers—Doris Winkler, 183; Mary Webb, 611; Mervin Slinger, 360; Lou Webb, 412. Total, 2,377.

Happy Bells—May Lindley, 532; Irv McDowell, 580; Frances Hutchinson, 615; Marna Sherrill, 418; Beria Ray, 544. Total, 2,729.

Happy Bells won three.

Lucky Jim—M. Benson, 237; W. Saunders, 284; M. Newnam, 425; E. Maycock, 255; M. Walker, 320. Total, 1,867.

Greenelea won two.

Woolworth No. 2—A. Chisworth, 382; M. Jones, 480; C. Gray, 288; E. Ash, 70; E. McLean, 497; C. Couch, 225. Total, 1,327.

Woolworth No. 2 won three by default.

Lucky "12"—A. Ray, 534; M. Armstrong, 580; E. F. MacDonell, 597; M. MacMullen, 455. Total, 2,268.

Lucky "12" won three by default.

SENIOR TENPIN LEAGUE

Poodle Box Club—J. P. Simpson, 500; H. Green, 472; H. Moulton, 523; P. Young, 484; W. Lott, 480. Total, 2,360.

Wentworth—MacLennan, 543; S. Jenkins, 530; A. Hawkins, 589; C. Chalkie, 595; R. Wilson, 534. Total, 2,791.

Wentworth won two.

Imperial Oil Co.—J. Howell, 604; C. Besser, 580; A. Milligan, 594; N. Paulding, 540; R. McKenna, 622. Total, 2,740.

Jokers—A. Falk, 530; A. Biddle, 535; A. Whist, 523; J. Quinn, 704; L. Fox, 616. Total, 2,972.

Jokers won three.

Mrs. Brooks: "I often wonder why some folks go to church."

Mrs. Rivers: "So do I. Now, there's Mrs. Short, why, she hasn't had a new hat for twelve months."

Elk Lake Bird Sanctuary Gets Fine Wild Swan

E. D. TODD, who is active in the development of the Elk Lake bird sanctuary, reports that he has received from C. Wensley and J. Coston, two well-known local sportsmen, a fine wild swan that was injured in some unknown way and captured by them up the Island. This beautiful bird is now making its home with the other swans and wild fowl at the lake and looks happy and contented there. It is quite likely, had this bird not been captured, it would have died for want of food, and it therefore owes its life to these two sportsmen.

SPENCER'S TO BATTLE WORK POINT ELEVEN

Will Take On Unbeaten Garrison Squad—Two Other Games Set

W	L	D	T	P	A	P
Garrison	4	0	27	7	12	
Hudson's Bay	2	0	12	6		
Bessner's	2	0	11	14	6	
Macabees	2	2	15	11	6	
Navy	2	2	1	12	2	
James Bay	0	1	9	26	1	

With the shifting of the Hayward Cup from the Naval Barracks to Work Point Barracks, obvious, Garrison's undefeated soccer eleven will appear in the feature game on this afternoon's Wednesday Football League card, with Spencer's as their opponents, at the Heywood Avenue grounds, at 2:30 o'clock. Another important game will bring together Macabees and Hudson's Bay, at Central Park, at 4:30 o'clock. The Macabees have set a fast pace, defeating all opposition after some brilliant exhibitions. They will be favored to lift the trophy with a win over Spencer's. Three teams are tied for second position and the triple deadlock will be broken when the results are known. The Liberals sprang a surprise in their last appearance by holding the Macabees to a draw to gain their first point of the season.

Referees for the matches will be as follows: John McKinnon at the Garrison-Spencer match; Cull at the Macabees-Hudson's Bay tussle, and the Navy-James Bay Liberals clash.

Line-ups follow:
Spencer's—McMillan, Bissell, Munroe, D. Bradley, Cann, L. Brown, J. Chapman, Preston, Brown, Sharkey and Wilson.

James Bay Liberals will be chosen from the following: Bourne, Eastwood, Crawford, A. McBride, Belford, Thomas, Davidson, Miller, Obese, Spence, McBride, Rice, Gibson and Watson.

Macabees—Williamstut, T. Graves, Gelling, Hill, Speller, W. Graves, Woodcock, Stewart, Campbell, Gibson, Newell, Richards, Fieldhouse and Sadler. Players are asked to meet at grounds at 2 o'clock.

Hudson's Bay—Baxter, O'Connell, Oakman, Moir, Patrail, Wyatt, Fish, McKenzie, Stevens, Reserves, Mercer and Menzies.

IRISH OFFICER TAKES JUMPING

Captain Aherne Rides Gallow-Glass to Individual Championship at New York Show

NEW YORK, Nov. 14 (AP).—A brilliant exhibition of riding and jumping, such as seldom seen in show ring, Captain Frederick A. Aherne, of the Irish Free State, riding his speedy Gallow-Glass, tonight won the international individual military championship at the National Horse Show.

Competing against fourteen other officers from five nations, each mounted on the pick of the military jumpers of their respective countries, Captain Aherne rode Gallow-Glass won after a jump off in which eight riders competed as the first of perfect performances the first time over the difficult international course.

In the jump off, where time was an important factor, four of the horses again gave faultless exhibitions, but Captain Aherne sent the feet-footed Gallow-Glass over the nine jumps in the fast time of 28 2-3 seconds. Second was Lieut. E. F. Thomson, of the United States Army, in 42 1-5 seconds.

Victoria-Meralomas Big Four Rugby Game Carded Saturday, Off

ACCORDING to information received from local officials of the Big Four Canadian Rugby Union, the game scheduled at Royal Athletic Park for Saturday afternoon between Victoria and Meralomas, British Columbia champions, has been postponed indefinitely. Injuries in the local camp forced the Victoria Club to ask a postponement which was granted by the Mainland officials. In view of the change, J.B.A.A. and Canadian Scottish, senior English Rugby teams, have been granted use of the park.

FLYING FRENCHMEN DEFEAT HAWKS 3-1; MAROONS LOSE 4-2

Habitants Show Old-Time Form in Whipping Chicago—Ottawa Takes Second Straight Victory by Winning From Montreal—Detroit Wings Wallop Bruins by 4 to 2

MONTREAL, Nov. 14 (CP).—With many signs of their old-time form, Montreal Canadiens handed Chicago Black Hawks a 3-1 defeat here tonight, to give the Canadiens their first reverse in the newly started National Hockey season and tumble them from their lone perch at the top of the American section standing.

The Hawks bumped down a step to second place as the Detroit Red Wings won at Boston. Johnny Gagnon lifted a high shot past Chuck Gardiner in the first period to put the Canadiens in front. Hawks bumped the Canadiens around and held them well in check in the second period.

The red shirts started a blazing offensive in the first few minutes of the final period and rattled on two quick goals while Lionel Coscher was off with a penalty.

Line-ups:
CHICAGO Position CANADIENS
Gardiner Goal Chabot
Abel Defence S. Mantha
Coulter Defence Carson
Gottselig Centre Morenz
Couture Wing Gagnon
Thompson Wing Joliat
Chicago sub—Coacher, March, Jenkins, Lewick, Kendall, Romnes, McFadyne, Trudel, Starke.

Canadiens sub—Lepine, Larochelle, G. Mantha, Riley, Bourgeault, Mondou, Burke, Godin, Raymond.

Referee—Roddan, Toronto; Cleg-horn, Montreal.

SUMMARY
First period—1, Canadiens, Gagnon, 3:38. Penalties—None.
Second period—No score. Penalties—Coacher, Godin, Coulter, Couture.

Third period—2, Canadiens, Larochelle (Burke), 3:14; 3, Canadiens, Lepine (Burke, Larochelle), 3:42; 4, Chicago, March (McFadyen), 18:09. Penalties—Coacher (major and minor), G. Mantha, Coulter.

SENATORS TRIM MAROONS

OTTAWA, Nov. 14 (CP).—Ottawa Senators kept their winning streak intact tonight when they took Montreal Maroons, 4-2, in their second game of the National Hockey League schedule.

Leading the Senators' offense was Earl Roche, who snared three goals during an evening. Syd Howe started Ottawa to a win with a solo goal early in the first period.

Wally Kilrea, former Senator, and Glen Brydon, netted the twins for Eddie Gerard's men. Kilrea scored late in the second period to make it 3-1, and Brydon took a pass from Hooley Smith and beat Paddy Billie Reveridge with fifty seconds left to play.

Line-ups:
OTTAWA Position MAROONS
Beveridge Goal McKEET
Leduc Defence Westwood
Bowman Defence Ayres
Welland Centre Smith
Touhey Wing Ward
Ottawa sub—Shields, Cox, Sanders, Shannon, Galbraith, Howe, D. Rowe and E. Roche.

Montreal sub—Northcott, Graham, Brydon, Haynes, MacKenzie, Wilcox, Duguid, Robinson and W. Kilrea.

Officials—George Mallinson and Eusebe Diagneault.

SUMMARY
First period—1, Ottawa, Howe, 5:50; 2, Ottawa, Earl Roche, 6:05. Penalties—Brydon and Shields.

Second period—3, Ottawa, E. Roche (D. Roche) 13:33; 4, Maroons, Kilrea (Duguid) 18:00. Penalties—Graham.

Third period—5, Ottawa, E. Roche, 17:05; 6, Maroons, Brydon, 19:30. Penalties—Leduc and Ayres.

WINGS TROUCE BRUINS

BOSTON, Nov. 14 (AP).—Detroit's speedy Red Wings swarmed over the sluggish Bruins for a 4-2 victory, tonight, in the Boston opening of the National Hockey League. Even the presence of Eddie Shore did not improve matters for the Bruins, who were roundly outplayed as they digested their third straight upset of the new season.

Sharp-shooting Johnny Sorrell, who got off to a flying start Sunday night when he scored four goals against New York Americans, scored twice in the opening session.

Line-ups:
BOSTON Position DETROIT
Thompson Goal Roach
Smith Defence Evans
Shore Defence Young
Barty Centre Goodfellow
Gracie Wing Emms
Clapper Wing Carson
Boston sub—Stewart, Ripley, Lamb, Beattie, Oliver, Chapman, O'Neill, Jerwa, Davie.

Detroit sub—Aurie, Voss, Lewis, Sorrell, Wiseman, Buswell, Peltier, Foster.

Officials—Bill Stewart and A. Smith.

SUMMARY
First period—1, Detroit, Sorrell, 9:21; 2, Detroit, Sorrell (Wiseman), 15:34. Penalties—Lamb.

Second period—3, Boston, Oliver, 6:33. Penalties: Shore, Foster.

Third period—4, Detroit, Carson (Emms), 10:52; 5, Detroit, Goodfellow, 12:15; 6, Boston, Stewart (Ripley-Lamb), 17:34. Penalties: Ripley, Wiseman.

John Leslie, of Edmonton, national secretary, along with several other Western delegates, reached the city tonight. J. H. Crocker, London, Ont., president, and the majority of delegates from the Eastern Provinces, will arrive tomorrow.

INTERMINGLING UP
Decisions on the intermingling of professional and amateur athletes, formation of separate national committees on wrestling and boxing, and field preparations for the British Empire Games and Olympic Games, will occupy a great deal of time during the convention.

Fifteen applications for reinstatement to amateur status will go before the delegates. Seven are from Saskatchewan, three each from Alberta and Quebec, and two from Ontario.

ICE CONDITIONS
Delay Opening Of New League

CALGARY, Nov. 14 (CP).—Unsatisfactory ice conditions have forced cancellation of the first two games in the schedule of the Northwestern pro hockey league. Manager Lloyd Turner, of Calgary Tigers, announced here today. He said the Bengals would have to play for Vancouver, according to schedule, Monday, November 20. The schedule was due to open with a game between Calgary Tigers and Edmonton Eskimos, Thursday, in the Alberta capital, followed by a return game here on Saturday, but neither game will be possible under continued mild weather conditions.

FOURTH DIVISION
BADMINTON MATCH AT DUNCAN DRAWN

DUNCAN, Nov. 14.—In a Division 4, Cowichan-Newcastle Section, badminton match played at Duncan, the Y.P.L. team and C.A.A.C. played to an 8-all draw. Scores with Y.P.L. players named first, follow:

Women's Doubles
Misses P. Petch and M. Owen lost to Misses M. Burkholder and G. Owens, 2-15.

Misses Petch and M. Owen beat Misses A. Burkholder and Lucas 15-10.

Misses Scholes and Herd lost to Misses A. Burkholder and Lucas 6-15.

Misses Scholes and Herd lost to Misses M. Burkholder and G. Owens 5-15.

Men's Doubles
E. Flett and E. Burkholder beat E. Flett and E. Burkholder, 15-10.

E. Flett and E. Burkholder beat A. Burkholder and Oimstead lost to A. Burkholder and Gregory, 2-15.

Churchill and Oimstead beat Whitaker and Hall, 15-12.

Mixed Doubles
E. Burkholder and Miss Petch beat Whitaker and Miss M. Burkholder, 15-12.

E. Burkholder and Miss Petch lost to A. Burkholder and Miss Owens, 5-15.

Flett and Miss M. Owen lost to A. Burkholder and G. Owens 4-15.

Flett and Miss M. Owen lost to Whitaker and M. Burkholder, 2-15.

Gregory and Miss Scholes beat Churchill and Miss Scholes, 15-10.

Churchill and Miss Scholes beat Hall and Mrs. Lucas, 15-5.

Oimstead and Miss Herd beat Hall and Mrs. Lucas, 15-12.

Oimstead and Miss Herd lost to Gregory and A. Burkholder, 12-15.

FINANCE - COMMERCE - MARKETS

Foreign Moneys Hold Attention At Wall Street

NEW YORK, Nov. 14 (AP).—Foreign exchange provided the excitement in financial markets today. The decreased gold value of dollars as measured both by the Reconstruction Finance Corporation's daily purchasing price and the level assigned by European currencies—the latter was the lower of the two—gave speculative marksmen something to shoot at, but the response of stocks and several commodities was not especially emphatic.

United States Government bonds, which had rallied for two days, resumed their slide and the investment market as a whole was depressed. Stocks closed lower after forenoon firmness.

Sterling raced up 18 cents to \$3.34, then slipped several cents from its new post-war peak. Stocks' best effort was an early rise of around 1 to 2 points for the general lot. Turnover was 2,169,310 shares. Grain and cotton markets were firm. The favorite among commodities was still silver, but metal trading 11-14 cents to 45 cents an ounce with futures having an extreme appreciation of more than 1 cent. Industrial stocks fared better than rails or utilities during the late reaction after leading the early rise, and their net changes were largely fractional. Santa Fe, Union Pacific, New York Central, North American Consolidated Gas, Public Service of New Jersey, American Telephone and Baltimore & Ohio lost around half a point to 2-1/2. Alcohols came under late pressure, National Distillers falling 5.

ANSWER TO YESTERDAY'S PUZZLE

How It Started

J. H. Striebel

CALLING HIM A "CRANK"

Quite commonly a person who is fault-finding, hard to please, is called a "crank" or "cranky." The word is used too to name one who is regarded as eccentric, one given to fanciful or impractical projects. The word has a legitimate, respectable origin in the lexicon of machinery. Derived from the Old English "cranke," it meant originally, as it does today in its technical sense, "to turn, to twist." Properly a crank is a "bent portion of an axle, or shaft, or an arm keyed at right angles to the end of a shaft, by which motion is imparted to or received from it."

It is not difficult to understand how the meaning of "to turn, to twist" should have been extended in meaning from the literal to indicate the kind of a "twist" which we associate with one who is called a "crank."

"Well, gentlemen of the jury, are you unanimous?"

"Yes, Your Worship. We're all alike—temporarily insane."

THREE HURT AT CAMPBELL RIVER

CAMPBELL RIVER, Nov. 14.—Mr. and Mrs. Ideus' son, Len, met with a painful accident here on Monday. Riding his bicycle in the evening on the way to basketball, he hit an obstruction and was thrown from the machine. In the fall a stick was driven into the corner of his eye. He was probably rendered unconscious for about a half-hour before he was taken home. Mrs. Ideus left for Vancouver with him the following morning.

John Taft, of Elk River Timber Company, had his arm broken on Thursday and is in the Lourdes Hospital. On the same day, A. Berglund, of Bledale, entered the hospital with broken ribs.

TODAY! THE MIGHTIEST DRAMA OF THEM ALL!

EMPIRE Again the "Georgia Minstrels" thrilled local audiences yesterday with their splendid performance. Comedy by "Lasses" Brown and Tommy Harris kept the crowds in laughter during this three-act performance. The show will be given again today for the last time.

COLUMBIA Sally Eilers, who plays opposite Richard Barthelemss in the first National picture, "Central Airport," which closes today at the Columbia Theatre, is his thirty-third leading lady. With a few exceptions, Barthelemss has a new feminine lead with each picture.

DOMINION It is not generally known except by her intimate friends that Kay Francis has an excellent singing voice. This is one of the reasons she was cast with Edward G. Robinson in the first National romance, "I Loved a Woman," which is now at the Dominion Theatre. In the picture she plays the part of a grand opera star, who dominates the beef baron and spurs him to success and ruin.

CAPITOL TO PRESENT MAE WEST'S PICTURE

For her role in her latest Paramount starring picture, "I'm No Angel," coming Saturday to the Capitol Theatre, Mae West has to put her blonde head in a real lion's mouth. And Mae West wrote the story for herself. She is the author of the story from which the picture was made, and assisted with the direction. Cary Grant, who appeared with her in "She Done Him Wrong," is again seen in the leading role opposite Mae West.

"EMPEROR JONES" IS TO PLAY AT EMPIRE

The music that plays such an emotional part in "Emperor Jones," the United Artists presentation of Eugene O'Neill's famous drama, coming to the Empire Theatre soon, may be said to represent three distinct progressive stages in the development of the negro race.

First are heard the American negro spirituals in the scene in which the members of the Heskiah Baptist Church bid good-bye to Brutus Jones. Then, when Jones goes to Harlem, there is heard jazz as only the negro interprets it. Finally, there is the savage beat of the tom-tom of the jungle negroes of the West Indies. These three sorts of music are linked by one

CAPITOL SCREENS POWERFUL STORY

"Night Flight" Has Most of Stars in Cast—Plot Is Thrilling and Emotional

John Barrymore, Helen Hayes, Clark Gable, Lionel Barrymore, Robert Montgomery and Myrna Loy form the amazingly strong multi-star cast which interprets "Night Flight," the new Metro-Goldwyn-Mayer picture, opening today at the Capitol Theatre.

The story is a terrifically powerful tale of flying the mail by night in South America. It was directed by a man who holds a transport pilot's licence, Clarence Brown. It is from the pen of Antoine de Saint-Exupery, a pilot on the very line he writes about. Director Brown says of this tale: "Night Flight" is the only real, truly accurate, authentic and human airplane story so far written.

The principal characters are John Barrymore, stern, driving manager of the air line; Clark Gable, pilot of the storm-caught plane from Puntas Arenas; Robert Montgomery, pilot of a plane crossing towering mountains; Helen Hayes, bar-riden wife of Gable; Lionel Barrymore, the lumbering inspector of airplanes; and Myrna Loy, wife of William Cagney, the pilot of the plane to Brazil.

The picture is the second to be made at M.G.M. by David O. Selznick, vice-president. It was adapted for the screen by Oliver H. P. Garret. In the supporting cast are C. Henry Gordon, Leslie Fenton, Harry Beresford, Frank Conroy and Rial Harold.

EMPIRE Again the "Georgia Minstrels" thrilled local audiences yesterday with their splendid performance. Comedy by "Lasses" Brown and Tommy Harris kept the crowds in laughter during this three-act performance. The show will be given again today for the last time.

COLUMBIA Sally Eilers, who plays opposite Richard Barthelemss in the first National picture, "Central Airport," which closes today at the Columbia Theatre, is his thirty-third leading lady. With a few exceptions, Barthelemss has a new feminine lead with each picture.

DOMINION It is not generally known except by her intimate friends that Kay Francis has an excellent singing voice. This is one of the reasons she was cast with Edward G. AMUSEMENTS

On the Stage
Empire—"The Georgia Minstrels."
On the Screen
Capitol—John Barrymore in "Night Flight."
Columbia—"Central Airport," featuring Richard Barthelemss.
Dominion—Edward G. Robinson in "I Loved a Woman."

Item, the beat. Even the spirituals have it. Negro civilisation in Harlem, of course, couldn't get along without it.

Cabaret Will Stage Second Show Tonight

Victoria's newest cabaret, Aladdin's Cave, will be the scene of its second revue this evening at 10 o'clock, when dark velvet will be held and entertainers appear before patrons, for three hours of continuous activity. Aladdin's Cave is situated on Government Street, between Yates and Johnson Streets.

Dorothy Rutledge, who has made a name for herself in the vocal circles of this city, because of her delightful soprano voice, will be featured with A. Weatherell, baritone, in the cabaret entertainment. George Royat is master of ceremonies. A popular five-piece orchestra, under Ivo Henderson, supplies the music.

The setting of the establishment is carried out with the idea of a huge cave with individual caves for each performer. The dance floor is particularly fine, having recently been finished with special preparation to insure its springiness. The cabaret can seat approximately 240 persons.

NOVEL MYSTERY TO BE SEEN AT SHRINE

After days of ceaseless vigil and apparent defeat, the long arm of the law again reaches out for its victim, and Inspector Burke, together with Jack Derrick, prominent novelist, announces that a full report on the murder of John Millicent will shortly be made public. This will shortly be made public. This vivid and unusual manner of bringing a criminal to justice is the one feature of the Little Theatre Group in their interpretation of the three-act mystery, "The Jade God," which will open at the Shrine Auditorium on Thursday evening.

An entirely new departure for the Little Theatre players, and one which will meet with the approval of their many followers, is the addition of a Little Theatre orchestra.

REVISION COURT SLATE IS NAMED

Reeve Heald, Councillors Fraser and Wise to Sit for Equilmalt Municipality

Reeve Albert Heald, Councillors George Wise and Neil Fraser will serve as the Equilmalt Court of Revision for voters' list of 1934. The court will sit on December 5. An offer from Brown's Victoria Nurseries of \$15 for which dirt and turf, unsuitable for cultivation, was accepted by the council.

Final readings to the by-law granting certain parts of the Our Lady Queen of Peace Church property exemption from taxes, and the by-law authorizing widening Anderson Avenue, were made.

Duff: I think my wife always intended to marry me.
Cuff: I have no doubt; but I'll bet she has mother who superintended.

Little Bedtime Stories

Peter Discovers Linnit
—By THORNTON W. BURGESS—

It didn't take Peter Rabbit long to find the sweet singer whose happy trills had caught his attention. He spied him sitting on the tip-top of a fir tree in Farmer Brown's yard. Peter didn't dare go over there for already it is broad daylight. But he didn't have to for the sweet singer flew over in the Old Orchard and alighted just over Peter's head. "Hello, Peter!" he cried.

"Hello, Linnit!" cried Peter. "I was wondering who it could be who was singing like that. I ought to have known, but you sing so long since I've heard you sing that I couldn't remember your song. I'm so glad you came over here, for I'm just dying to talk to somebody."

Linnit, the Purple Finch, for this is who it was, laughed right out. "I see you're still the same old Peter," said he. "I suppose you're just as full of curiosity as ever, and just as full of questions. Well, here I am, so what shall we talk about?"

"You," replied Peter promptly. "Lately I've found out so many surprising things about my feathered friends that I want to know more. I'm trying to get it straight in my head who is related to whom, and I've found out some things which have begun to make me feel that I know very little about my feathered neighbors. It's getting so that I don't even dare guess who a person's relatives are. If you please, Linnit, what family do you belong to?"

Peter stared solemnly at Linnit. He saw a bird of sparrow size whose entire body was a rose red, brightest on the head, darkest on the back, and palest on the breast. Underneath he was whitish. His wings and tail were brownish, the outer parts of the feathers edged with rose red. His bill was short and stout. Before Peter could reply, Mrs. Linnit appeared. There wasn't so much as a touch of that beautiful rose red about her. Her greyish brown back

Disastrous Oil Fire

SMALL SCHOONER STILL MISSING

Little Craft Blown Out to Sea Off Newfoundland—Others Have Narrow Escapes

ST. JOHN'S, Nfld., Nov. 14 (CP).—Driven out to sea by a terrific storm that stranded two other ships on the eastern coast of Newfoundland, a small auxiliary schooner, owned by James Feltham, was still missing today, after an all-night search.

The little craft was swept away from her moorings at Bonaville, yesterday. She was not manned. The steamer Home set out in search of her after the storm abated, but early today had not reported success.

During the blizzard the schooner Tops, out of Cole's Point, ran aground in Canada Bay. Captain Christopher and his crew reached shore in the boats. A similar escape was made by Captain Rye and the crew of the schooner Mankota, driven ashore 200 miles down the coast at Bonaville. Both the stranded vessels were regarded as total losses.

Alpine Club Rendezvous Of Members

The Alpine Club hut, Lake of the Seven Hills, received a visit over the week-end from several members of the local section of the organization. The weather was, on the whole, excellent, the fogs which enveloped the lower altitudes of the island missing the higher elevation at the lake.

Under the capable direction of the outings convenor, C. L. Harrison, work on the chimney was still further advanced, so much so that, with the brickwork nearly completed, a small fire was lighted in the fireplace and the draught was found to be all that was hoped for. Members are now looking forward to very comfortable holiday week-ends during the winter months at the hut.

Industrial recovery soon will be so far advanced that people will again begin to refer to factory smoke as a nuisance.

Tired all the Time

—she thought it was "NERVES"

Losing interest—losing friends—she never went out any more—always too tired. "Nerves," she thought—but it was her kidneys, the filters of her blood, that needed attention. Delay meant danger. She took Dodd's Kidney Pills at once. Restored to healthy, normal action, her kidneys soon cleared away blood impurities. Energy returned. Fatigue, headache, backache, and all signs of faulty kidneys disappeared. Again life seemed worth while.

Now Feeling Well—Thanks to

Dodd's Kidney Pills
